Implementation of the share buyback programme

As part of the implementation of its share buyback programme, VINCI signed a share purchase agreement with an investment services provider on 30 March 2015.

According to the agreement, the investment services provider will sell to VINCI no later than 26 June 2015, up to €250 million worth of VINCI shares at an average price per share determined based on the market prices observed during the entire duration of the agreement. This price cannot exceed the maximum purchase price per share set by the VINCI Ordinary and Extraordinary Shareholders' Meeting on 15 April 2014.

About VINCI

VINCI is a global player in concessions and construction, employing more than 185,000 people in some 100 countries. We design, finance, build and operate infrastructure and facilities that help improve daily life and mobility for all. Because we believe in all-round performance, above and beyond economic and financial results, we are committed to operating in an environmentally and socially responsible manner. And because our projects are in the public interest, we consider that reaching out to all our stakeholders and engaging in dialogue with them is essential in the conduct of our business activities.
