VINCI, the world's leading company for concessions, construction and associated services

- VINCI has over a century of experience: the group was founded in 1898 by Alexandre Giros and Louis Loucheur

- Following the merger with GTM end-2000, VINCI became the world no. 1 in concessions, construction and related services
 - European no. 1 in car parks 
 - French no. 1 in information technologies 
 - European no. 1 in roads and materials production 
 - World no. 1 in specialised civil engineering
