Euro 4,000,000,000

**Euro Medium Term Note Programme
Due from one year from the date of original issue**

Under the Euro Medium Term Note Programme (the "**Programme**") described in this base prospectus (the "**Base Prospectus**"), VINCI (the "**Issuer**" or "**VINCI**"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the "**Notes**"). The aggregate nominal amount of Notes outstanding will not at any time exceed Euro 4,000,000,000 (or the equivalent in other currencies).

This Base Prospectus constitutes a base prospectus as defined in Article 5.4 of Directive 2003/71/EC of 4 November 2003 on the prospectus to be published when securities are offered to the public or admitted to trading as amended by Directive 2010/73/EU (the "**2010 PD Amending Directive**") to the extent that such amendments have been implemented in a Member State of the European Economic Area) (the "**Prospectus Directive**").

Application has been made to the *Autorité des marchés financiers* (the "**AMF**") in France for approval of this Base Prospectus in its capacity as competent authority pursuant to Article 212-2 of its *Règlement général* which implements the Prospectus Directive. Application may be made to Euronext Paris during the period of 12 months from the date of this Base Prospectus for Notes issued under the Programme to be listed and admitted to trading on Euronext Paris. Euronext Paris is a regulated market for the purposes of Directive 2004/39/EC (a "**Regulated Market**"). However, Notes issued pursuant to the Programme may also be unlisted or listed and admitted to trading on any other market including any Regulated Market in any Member State of the European Economic Area (the "**EEA**"). The relevant final terms (the "**Final Terms**") (a form of which is contained herein) in respect of the issue of any Notes will specify whether or not such Notes will be admitted to trading, and, if so, the relevant Regulated Market.

Notes will be in such denomination(s) as may be specified in the relevant Final Terms, save that the minimum denomination of each Note listed and admitted to trading on a Regulated Market in circumstances which require the publication of a prospectus under the Prospectus Directive will be €100,000, and if the Notes are denominated in a currency other than euro, the equivalent amount in such currency at the issue date, or such higher amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant specified currency. Notes may be issued either in dematerialised form ("**Dematerialised Notes**") or in materialised form ("**Materialised Notes**") as more fully described herein.

Dematerialised Notes will at all times be in book entry form in compliance with Articles L.211-3 and R.211-1 *et seq.* of the French *Code monétaire et financier*. No physical documents of title will be issued in respect of the Dematerialised Notes.

Dematerialised Notes may, at the option of the Issuer, be in bearer dematerialised form (*au porteur*) inscribed as from the issue date in the books of Euroclear France ("**Euroclear France**") (acting as central depository) which shall credit the accounts of Account Holders (as defined in "Terms and Conditions of the Notes – Form, Denomination, Title and Redenomination") including Euroclear Bank S.A./N.V. ("**Euroclear**") and the depository bank for Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**") or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder (as defined in Condition 1(c)(iii)), in either fully registered form (*au nominatif pur*), in which case they will be inscribed either with the Issuer or with the registration agent (designated in the relevant Final Terms) for the Issuer, or in administered registered form (*au nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Noteholders.

Materialised Notes will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a "**Temporary Global Certificate**") will initially be issued in connection with Materialised Notes. Such Temporary Global Certificate will be exchanged for Definitive Materialised Notes in bearer form with, where applicable, coupons for interest attached, on or after a date expected to be on or about the 40th day after the issue date of the Notes (subject to postponement as described in "Temporary Global Certificates issued in respect of Materialised Bearer Notes") upon certification as to non U.S. beneficial ownership as more fully described herein.

Temporary Global Certificates will (a) in the case of a Tranche (as defined in "General Description of the Programme") intended to be cleared through Euroclear and/or Clearstream, Luxembourg, be deposited on the issue date with a common depository on behalf of Euroclear and/or Clearstream, Luxembourg and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream, Luxembourg or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer (as defined below).

The Programme has been rated BBB+ by Standard and Poor's Ratings Services ("**S&P**") and Baa1 by Moody's Investors Service Ltd ("**Moody's**"). Notes issued under the Programme may be rated or unrated. Notes, whether Unsubordinated or Subordinated (all as defined in "General Description of the Programme"), will have such rating, if any, as is assigned to them by the relevant rating organisation as specified in the relevant Final Terms. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating assigned under the Programme. The credit ratings included or referred to in this Base Prospectus will be treated for the purposes of the Regulation (EC) No. 1060/2009 on credit ratings agencies, as amended by Regulation (EU) No. 513/2011 (the "**CRA Regulation**") as having been issued by S&P and Moody's, each of which is established in the European Union, is registered under the CRA Regulation and is included in the list of registered credit rating agencies published on the website of the European Securities and Markets Authority (www.esma.europa.eu). The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

This Base Prospectus (together with all supplements thereto from time to time), constitutes a base prospectus for the purposes of the Prospectus Directive and contains all relevant information concerning the Issuer and its subsidiaries (together with the Issuer, the “Group”) which is necessary to enable investors to make an informed assessment of the assets and liabilities, financial position, profit and losses and prospects of the Issuer and the Group, as well as the base terms and conditions of the Notes to be issued under the Programme. The terms and conditions applicable to each Tranche (as defined in “General Description of the Programme”) not contained herein (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue on the basis of the then prevailing market conditions and will be set out in the relevant Final Terms.

This Base Prospectus is to be read and construed in conjunction with any document and/or information which is or may be incorporated herein by reference (see "Documents incorporated by Reference" below) and each of which shall be incorporated in, and form part of this Base Prospectus in relation to any Series (as defined in “General Description of the Programme”) of Notes.

No person has been authorised to give any information or to make any representation other than those contained in this Base Prospectus in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers or the Arranger (each as defined in “General Description of the Programme”). Neither the delivery of this Base Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the Group since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that there has been no adverse change in the financial position of the Issuer or the Group since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

Certain information contained in this Base Prospectus and/or documents incorporated herein by reference has been extracted from sources specified in the sections where such information appears. The Issuer confirms that such information has been accurately reproduced and that, so far as it is aware and is able to ascertain from information published by the above sources, no facts have been omitted which would render the information reproduced inaccurate or misleading. The Issuer has also identified the source(s) of such information.

The distribution of this Base Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus comes are required by the Issuer, the Dealers and the Arranger to inform themselves about and to observe any such restriction. The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”) or with any securities regulatory authority of any state or other jurisdiction of the United States and may include Materialised Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or, in the case of Materialised Notes in bearer form, delivered within the United States or to or for the account or benefit of U.S. persons (as defined in Regulation S under the Securities Act (“Regulation S”) or, in the case of Materialised Notes in bearer form, the U.S. Internal Revenue Code of 1986, as amended (the “U.S Internal Revenue Code and the regulations” thereunder). For a description of certain restrictions on offers and sales of Notes and on distribution of this Base Prospectus, see "Subscription and Sale".

This Base Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer or the Dealers or the Arranger to subscribe for, or purchase, any Notes.

The Arranger and the Dealers have not separately verified the information contained in this Base Prospectus. None of the Dealers or the Arranger makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Base Prospectus. Neither this Base Prospectus nor any other information supplied in connection with the Programme (including any information incorporated by reference) are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arranger or the Dealers that any recipient of this Base Prospectus or any other information supplied in connection with the Programme (including financial statements) should purchase the Notes. Each prospective investor of Notes should determine for itself the relevance of the information contained in this Base Prospectus and its purchase of Notes should be based upon such investigation as it deems necessary. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of the Issuer or the Group during the life of the arrangements contemplated by this Base Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

In connection with the issue of any Tranche (as defined in “General Description of the Programme”), the Dealer or Dealers (if any) named as the stabilising manager(s) (the “Stabilising Manager(s)”) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche and 60 days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s)) in accordance with applicable laws and regulations.

In this Base Prospectus, unless otherwise specified or the context otherwise requires, references to “€”, “Euro”, “EUR” or “euro” are to the single currency of the participating member states of the European Economic and Monetary Union which was introduced on 1 January 1999, references to “\$”, “USD” and “U.S. Dollars” are to the lawful currency of the United States of America, references to “¥”, “JPY”, “Japanese yen” and “Yen” are to the lawful currency of Japan and references to “Swiss francs” or “CHF” are to the lawful currency of Switzerland.

RISK FACTORS RELATING TO THE NOTES

The following paragraphs describe some risk factors that are material to the Notes to be admitted to trading in order to assess the market risk associated with these Notes.

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. They do not describe all the risks of an investment in the Notes. Prospective investors should consult their own financial and legal advisers about risks associated with investment in a particular Series of Notes and the suitability of investing in the Notes in light of their particular circumstances. These risk factors may be completed in the Final Terms of the relevant Notes for a particular issue of Notes.

Terms used but not defined in this section will have the meaning given to them in the Terms and Conditions.

1. General Risks Relating to the Notes

1.1 Independent Review and Advice

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

A prospective investor may not rely on the Issuer or the Dealer(s) or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

1.2 Potential Conflicts of Interest

Each of the Issuer, the Dealer(s) or their respective affiliates may deal with and engage generally in any kind of commercial or investment banking or other business with any issuer of the securities taken up in an index, their respective affiliates or any guarantor or any other person or entities having obligations relating to any issuer of the securities taken up in an index or their respective affiliates or any guarantor in the same manner as if any index-linked Notes issued under the Programme did not exist, regardless of whether any such action might have an adverse effect on an issuer of the securities taken up in the index, any of their respective affiliates or any guarantor.

The Issuer may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Potential conflicts of interest may arise between the calculation agent, if any, for a Tranche of Notes and the Noteholders, including with respect to certain discretionary determinations and judgements that such calculation agent may make pursuant to the Terms and Conditions that may influence the amount receivable upon redemption of the Notes.

1.3 Legality of Purchase

Neither the Issuer, the Dealer(s) nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

1.4 Modification, waivers and substitution

The conditions of the Notes contain provisions for calling General Meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant General Meeting and Noteholders who voted in a manner contrary to the majority.

1.5 A Noteholder's actual yield on the Notes may be reduced from the stated yield by transaction costs

When Notes are purchased or sold, several types of incidental costs (including transaction fees and commissions) are incurred in addition to the current price of the security. These incidental costs may significantly reduce or even exclude the profit potential of the Notes. For instance, credit institutions as a rule charge their clients for own commissions which are either fixed minimum commissions or pro-rata commissions depending on the order value. To the extent that additional – domestic or foreign – parties are involved in the execution of an order, including but not limited to domestic dealers or brokers in foreign markets, Noteholders must take into account that they may also be charged for the brokerage fees, commissions and other fees and expenses of such parties (third party costs).

In addition to such costs directly related to the purchase of securities (direct costs), Noteholders must also take into account any follow-up costs (such as custody fees). Investors should inform themselves about any additional costs incurred in connection with the purchase, custody or sale of the Notes before investing in the Notes.

1.6 Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for the Notes. Potential investors are advised not to rely upon the tax summary contained in this Base Prospectus and/or in the Final Terms but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This risk factor has to be read in connection with the taxation sections of this Base Prospectus and the additional tax sections, if any, contained in the relevant Final Terms.

1.7 EU Savings Directive

The EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments (the **Directive**) requires each Member State as from 1 July 2005 to provide to the tax authorities of another Member State details of payments of interest and other similar income within the meaning of the Directive made by a paying agent within its jurisdiction to (or under circumstances to the benefit of) a beneficial owner (within the meaning of the Directive) resident in that other Member State, except that Luxembourg and Austria will instead impose a withholding system for a transitional period unless the beneficiary of interest payment elects for the exchange of information. A number of non-EU countries and territories including Switzerland have agreed to adopt similar measures (a withholding system in the case of Switzerland) with effect from the same date.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on a payment made by a paying agent, the Issuer will be required to maintain a paying agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

On 13 November 2008, the European Commission published a proposal for amendments to the Directive. The proposal included a number of suggested changes which, if implemented, would broaden the scope of the rules described above. The European Parliament adopted an amended version of this proposal on 24 April 2009. Investors who are in any doubt as to their position should consult their professional advisers.

1.8 Change of Law

The Terms and Conditions of the Notes are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in French law or the official application or interpretation of French law after the date of this Base Prospectus.

1.9 No active Secondary/Trading Market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there may be no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. Although in relation to Notes to be admitted to trading on Euronext Paris and/or any other Regulated Market in the European Economic Area, the Final Terms of the Notes will be filed with the *Autorité des marchés financiers* in France and/or with the competent authority of the Regulated Market of the European Economic Area where the Notes will be admitted to trading, which, in the case of Notes to be admitted to trading on Euronext Paris shall be the *Autorité des marchés financiers*, there is no assurance that such filings will be accepted, that any particular Tranche of Notes will be so admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

1.10 Currency Risk

Prospective investors of the Notes should be aware that an investment in the Notes may involve exchange rate risks. The reference assets or the Notes may be denominated in a currency other than the currency of the purchaser's home jurisdiction; and/or the reference assets or the Notes may be denominated in a currency other than the currency in which a purchaser wishes to receive funds. Exchange rates between currencies are determined by factors of supply and demand in the international currency markets which are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value of the Notes or the reference assets.

1.11 Any decline in the credit ratings of the Issuer or changes in rating methodologies may affect the market value of the Notes

One or more independent credit rating agencies may assign credit ratings to the Notes. The credit ratings of the Issuer are an assessment of its ability to pay its obligations, including those on Notes. Consequently, actual or anticipated declines in the credit ratings of the Issuer may affect the market value of the Notes

The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time. In addition, the credit rating agencies may change their methodologies for rating securities with features similar to the Notes in the future. This may include the relationship between ratings assigned to an issuer's senior securities and ratings assigned to securities with features similar to the Notes, sometimes called "notching". If the rating agencies were to change their practices for rating such securities in the future and/or the ratings of the Notes were to be subsequently lowered, revised, suspended or withdrawn, this may have a negative impact on the trading price of the Notes.

1.12 Market Value of the Notes

The market value of the Notes will be affected by the creditworthiness of the Issuer and a number of additional factors, including the value of the reference assets or an index, including, but not limited to, the volatility of the reference assets or an index, or the dividend on the securities taken up in the index, market interest and yield rates and the time remaining to the maturity date.

The value of the Notes, the reference assets or the index depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes, the reference assets, the securities taken up in the index, or the index are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. The historical market prices of the reference assets or an index should not be taken as an indication of the reference assets' or an index's future performance during the term of any Note.

1.13 French Insolvency Law

Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the “**Assembly**”) in case of the opening in France of a preservation (*procédure de sauvegarde*), an accelerated financial safeguard procedure (*procédure de sauvegarde financière accélérée*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) of the Issuer, in order to defend their common interests.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (such as the Programme) and regardless of their governing law.

The Assembly deliberates on the draft safeguard plan (*projet de plan de sauvegarde*), draft accelerated safety plan (*plan de sauvegarde financière accélérée*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling payments which are due and/or partially or totally writing-off debts;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give right to share capital.

Decisions of the Assembly will be taken by a two-third (2/3) majority (calculated as a proportion of the amount of debt securities held by the holders which have cast a vote at such Assembly). No quorum is required on convocation of the Assembly.

For the avoidance of doubt, the provisions relating to the representation of the Noteholders described in the Terms and Conditions of the Notes set out in this Base Prospectus or, where applicable, in the French *Code de commerce*, will not be applicable with respect to the Assembly to the extent they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

2. Risks related to the structure of a particular issue of Notes

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for potential investors depending on the specific features of such Notes such as, *inter alia*, the provisions for computation of periodic interest payments, if any, redemption and issue price. Set out below is a description of the most common of such features:

2.1 An early redemption at the option of the Issuer, if provided for in any Final Terms for a particular issue of Notes, could cause the yield anticipated by Noteholders to be considerably less than anticipated

Unless in the case of any particular Tranche of Notes the relevant Final Terms specifies otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the country of domicile (or residence for tax purposes) by the Issuer, or on behalf of France, or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may, and in some circumstances must, redeem all outstanding Notes in accordance with the Terms and Conditions.

In addition, if in the case of any particular Tranche of Notes the relevant Final Terms specify that the Notes are redeemable at the Issuer's option in certain other circumstances the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. During a period when the Issuer may elect, or has elected, to redeem Notes, such Notes may feature a market value not substantially above the price at which they can be redeemed. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes. Prospective investors should consider reinvestment risk in light of other investments available at that time.

2.2 The value of Fixed Rate Notes may change

Investment in Notes which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Notes.

2.3 Investors will not be able to calculate in advance their rate of return on Floating Rate Notes

A key difference between Floating Rate Notes and Fixed Rate Notes is that interest income on Floating Rate Notes cannot be anticipated. Due to varying interest income, investors are not able to determine a definite yield of Floating Rate Notes at the time they purchase them, so that their return on investment cannot be compared with that of investments having longer fixed interest periods. If the terms and conditions of the notes provide for frequent interest payment dates, investors are exposed to reinvestment risk if market interest rates decline. That is, investors may reinvest the interest income paid to them only at the relevant lower interest rates then prevailing. In addition, the Issuer's ability to also issue Fixed Rate Notes may affect the market value and the secondary market (if any) of the Floating Rate Notes (and vice versa).

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate.

2.4 The market value of Inverse Floating Rate Notes may be more volatile than that of Floating Rate Notes based on the same reference rate

Inverse floating rate Notes have an interest rate equal to a fixed base rate minus a rate based upon a reference rate. The market value of such Notes typically is more volatile than the market value of floating rate Notes based on the same reference rate (and with otherwise comparable terms). Inverse floating rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

2.5 Risks related to the conversion on Fixed to Floating Rate Notes

Fixed to floating rate Notes initially bear interest at a fixed rate; conversion from a fixed rate to a floating rate then takes place either automatically or at the option of the Issuer if certain predetermined conditions are met. The conversion (whether it be automatic or optional) of the interest rate will affect the secondary market and the market value of the Notes since the conversion may lead to a lower overall cost of borrowing. If a fixed rate is converted to a floating rate, the spread on the fixed to floating rate Notes may be less favourable than then prevailing spreads on comparable floating rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes.

2.6 The market value of Notes issued at a substantial discount or premium may fluctuate more than on conventional interest-bearing securities

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

2.7 Investments in Index-Linked Notes and Dual Currency Notes entail significant risks and may not be appropriate for investors lacking financial expertise

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a “**Relevant Factor**”). In addition, the Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated.

An investment in Index Linked Notes entails significant risks that are not associated with similar investments in a conventional fixed or floating rate debt security. The Issuer believes that Index Linked Notes should only be purchased by investors who are, or who are purchasing under the guidance of, financial institutions or other professional investors that are in a position to understand the special risks that an investment in these instruments involves. These risks include, among other things, the possibility that:

- the market price of such Notes may be volatile;
- they may receive no interest;
- payment of principal or interest may occur at a different time or in a different currency than expected;
- the amount of principal payable at redemption may be less than the nominal amount of such Notes or even zero;
- a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant

Factor on principal or interest payable likely will be magnified; and

- the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Index-linked Notes are not in any way sponsored, endorsed, sold or promoted by the index sponsor or the respective licensor of the index and such index sponsor or licensor makes no warranty or representation whatsoever, express or implied, either as to the results to be obtained from the use of the index and/or the figure at which the index stands at any particular time. Each index is determined, composed and calculated by its respective index sponsor or licensor, without regard to the Issuer or the Notes. None of the index sponsors or licensors is responsible for or has participated in the determination of the timing of, prices at, or quantities of the Notes to be issued or in determination or calculation of the equation by which the Notes settle into cash. None of the index sponsors or licensors has any obligation or liability in connection with the administration, marketing or trading of the Notes. The index sponsor or licensor of an index has no responsibility for any calculation agency adjustment made for the index.

None of the Issuer, the Dealer(s) or any of their respective affiliates makes any representation as to an index. Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to an index that is or may be material in the context of index-linked Notes. The issue of index-linked Notes will not create any obligation on the part of any such persons to disclose to the Noteholders or any other party such information (whether or not confidential).

2.8 Inflation-Linked Notes

The decision to purchase inflation-linked Notes involves complex financial appreciations and risks as the inflation cannot be foreseen with certainty. The yield of Inflation-Linked Notes may be lower than the yield of non Inflation-Linked Notes. The Issuer makes no representation as to the tax treatment of such Notes or as to the lawfulness of the purchase of such Notes in any jurisdiction.

2.9 Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

2.10 Zero Coupon Notes

Changes in market interest rates have a substantially stronger impact on the prices of Zero Coupon Notes than on the prices of ordinary Notes because the discounted issue prices are substantially below par. If market interest rates increase, Zero Coupon Notes can suffer higher price losses than other Notes having the same maturity and credit rating. Due to their leverage effect, Zero Coupon Notes are a type of investment associated with a particularly high price risk.

The prices at which Zero Coupon Notes trade in the secondary market tend to fluctuate more in relation to general changes in interest rates than to prices for conventional interest-bearing securities of comparable maturities.

2.11 Variable rate Notes with a multiplier or other leverage factor imply a higher volatility

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, their market values may be even more volatile than those for securities that do not include those features.

2.12 Investments in Structured Notes may entail significant risks not associated with similar investments in a conventional debt security

An investment in Notes, the premium and/or the interest on or principal of which is determined by reference to one or more values of currencies, commodities, interest rates or other indices or formulae, either directly or inversely, may entail significant risks not associated with similar investments in a conventional debt security, including the risks that the resulting interest rate will be less than that payable on a conventional debt security at the same time and/or that an investor may lose the value of its entire investment or part of it, as the case may be. Neither the current nor the historical value of the relevant currencies, commodities, interest rates or other indices or formulae should be taken as an indication of future performance of such currencies, commodities, interest rates or other indices or formulae during the term of any Note.

The prices at which Notes issued at a substantial discount from their principal amount payable at maturity, trade in the secondary market tend to fluctuate more in relation to general changes in interest rates than to the prices for conventional interest-bearing securities of comparable maturities.

2.13 Holders of Subordinated Notes face a significantly increased risk that the Notes will not perform as anticipated

In the event of any insolvency or liquidation of the Issuer, holders of Subordinated Notes would receive payments on any outstanding Subordinated Notes only after senior Noteholders and other senior creditors have been repaid in full, if and to the extent that there is still cash available for those payments. Thus, holders of Subordinated Notes generally face a higher performance risk than holders of senior Notes.

Notes, whether Unsubordinated or Subordinated, will have such rating, if any, as is assigned to them by the relevant rating organisation as specified in the relevant Final Terms. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating assigned under the Programme. The credit ratings included or referred to in this Base Prospectus will be treated for the purposes of the Regulation (EC) No. 1060/2009 on credit ratings agencies, as amended by Regulation (EU) No. 513/2011 (the “**CRA Regulation**”) as having been issued by Standard and Poor’s Ratings Services and Moody’s Investors Service Ltd, each of which is established in the European Union, is registered under the CRA Regulation and is included in the list of registered credit rating agencies published on the website of the European Securities and Markets Authority (www.esma.europa.eu). The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation.

A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

In accordance with Articles L.211-3 and R.211-1 of the French *Code monétaire et financier*, securities (such as the Notes) which are governed by French law and are in materialised form must be issued outside the French territory.

- (b) **Denomination(s)**: Notes shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the "**Specified Denomination(s)**") save that the minimum denomination of each Note admitted to trading on a Regulated Market in circumstances which require the publication of a prospectus under the Prospectus Directive will be €100,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency at the issue date) or such other higher amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency). Dematerialised Notes shall be issued in one Specified Denomination only.

(c) **Title:**

(d) **Redenomination:**

- (i) The Issuer may (if so specified in the relevant Final Terms), on any Interest Payment Date, without the consent of the holder of any Note, Receipt, Coupon or Talon, by giving at least 30 days' notice in accordance with Condition 15 and on or after the date on which the European Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the "EC"), as amended from time to time (the "Treaty")), or events have occurred which have substantially the same effects (in either case, "EMU"), redenominate all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the Redenomination Date.
- (ii) Unless otherwise specified in the relevant Final Terms, the redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations of the Treaty and rounding the resultant figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders in accordance with Condition 15. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euro on the Redenomination Date in the manner notified to Noteholders by the Issuer.

Any such changes or additions shall, in the absence of manifest error, be binding on the holders of Notes, Receipts, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 15 as soon as practicable thereafter.
- (v) Neither the Issuer nor any Paying Agent shall be liable to the holder of any Note,

"Relevant Rate" means the Benchmark for a Representative Amount of the Specified Currency for a period (if applicable or appropriate to the Benchmark) equal to the Specified Duration commencing on the Effective Date.

"Relevant Time" means, with respect to any Interest Determination Date, the local time in the Relevant Financial Centre specified in the relevant Final Terms or, if no time is specified, the local time in the Relevant Financial Centre at which it is customary to determine bid and offered rates in respect of deposits in the Specified Currency in the interbank market in the Relevant Financial Centre and for this purpose **local time** means, with respect to Europe and the Euro-zone as a Relevant Financial Centre, 11.00 a.m., Brussels time.

"Representative Amount" means, with respect to any Floating Rate to be determined in accordance with a Screen Rate Determination on an Interest Determination Date, the amount specified as such in the relevant Final Terms or, if none is specified, an amount that is representative for a single transaction in the relevant market at the time.

"Specified Currency" means the currency specified as such in the relevant Final Terms or, if none is specified, the currency in which the Notes are denominated.

"Specified Duration" means, with respect to any Floating Rate to be determined in accordance with a Screen Rate Determination on an Interest Determination Date, the duration specified in the relevant Final Terms or, if none is specified, a period of time equal to the relative Interest Accrual Period, ignoring any adjustment pursuant to Condition 5(c)(ii).

- (b) **Interest on Fixed Rate Notes:** Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date except as otherwise provided in the relevant Final Terms.

If a Fixed Coupon Amount or a Broken Amount is specified in the relevant Final Terms, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified in the relevant Final Terms.

- (c) **Interest on Floating Rate Notes, Index Linked Interest Notes and Inflation Linked Interest Notes:**

- (i) *Interest Payment Dates:* Each Floating Rate Note, Index Linked Interest Note and Inflation Linked Interest Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear (except as otherwise provided in the relevant Final Terms) on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the relevant Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the relevant Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the relevant Final Terms as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

- (ii) *Business Day Convention*: If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.
- (iii) *Rate of Interest for Floating Rate Notes*: The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and, unless otherwise specified in the relevant Final Terms, the provisions below relating to either FBF Determination or ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified in the relevant Final Terms.

(A) FBF Determination for Floating Rate Notes

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant FBF Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "**FBF Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Transaction under the terms of an agreement incorporating the FBF Definitions and under which:

- (a) the Floating Rate is as specified in the relevant Final Terms, and
- (b) the relevant Floating Rate Determination Date (*Date de Détermination du Taux Variable*) is the first day of that Interest Accrual Period unless otherwise specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**" (*Taux Variable*), "**Calculation Agent**" (*Agent*), "**Floating Rate Determination Date**" (*Date de Détermination du Taux Variable*) and "**Transaction**" (*Transaction*) have the meanings given to those terms in the FBF Definitions, provided that Euribor means the rate calculated for deposits in euro which appears on Reuters Page EURIBOR01, as more fully described in the relevant Final Terms.

(B) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (B), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the relevant Final Terms,
- (b) the Designated Maturity is a period specified in the relevant Final Terms, and
- (c) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the relevant Final Terms.

For the purposes of this sub-paragraph (B), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**", "**Reset Date**" and "**Swap Transaction**" have the meanings given to those terms in the ISDA Definitions.

(C) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (a) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (i) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one entity) or
 - (ii) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page,

in each case appearing on such Page at the Relevant Time on the Interest Determination Date, as disclosed in the relevant Final Terms;

- (b) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (a)(i) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (a)(ii) applies and fewer than two Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the

Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent and

- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is Euro, in the Euro-zone as selected by the Calculation Agent (the "**Principal Financial Centre**") are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).
- (iv) *Rate of Interest for Index Linked Interest Notes and Inflation Linked Interest Notes:* The Rate of Interest in respect of Index Linked Interest Notes and Inflation Linked Interest Notes for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and interest will accrue by reference to an Index or Formula as specified in the relevant Final Terms.
- (d) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon and is repayable prior to the Maturity Date is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(e)(i)).
- (e) **Dual Currency Notes:** In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.
- (f) **Partly Paid Notes:** In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the relevant Final Terms.
- (g) **Accrual of interest:** Interest shall cease to accrue on each Note on the due date for

redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

- (h) **Deferral of interest:** If deferral of interest is specified in the relevant Final Terms, in the case of Undated Subordinated Notes, interest shall be payable on each Compulsory Interest Payment Date (as defined below) in respect of the interest accrued in the Interest Period ending on the day immediately preceding such date. On any Optional Interest Payment Date (as defined below) there may be paid (if the Issuer so elects) the interest accrued in the Interest Period ending on the day immediately preceding such date but the Issuer shall not have any obligation to make such payment. Notice of any Optional Interest Payment Date shall (for so long as the rules of, or applicable to, any Regulated Market so require) be given to the Noteholders in accordance with Condition 15 and to the relevant Regulated Market. Such notice shall be given at least seven days prior to the relevant Optional Interest Payment Date(s). Any interest not paid on an Optional Interest Payment Date shall, so long as the same remains unpaid, constitute "**Arrears of Interest**" which term shall include interest on such unpaid interest as referred to below. Arrears of Interest may, at the option of the Issuer, be paid in whole or in part at any time upon the expiration of not less than seven days' notice to such effect given to the Noteholders in accordance with Condition 15 but all Arrears of Interest on all Undated Subordinated Notes outstanding shall become due in full on whichever is the earliest of:
- (i) the next Interest Payment Date if such Interest Payment Date is a Compulsory Interest Payment Date or,
 - (ii) the date on which any Undated Subordinated Notes are to be redeemed partially or in full (otherwise than at the option of the Noteholders) in accordance with their terms and conditions or,
 - (iii) (a) a judgement rendered by any competent court declaring the transfer of the whole of the business (*cession totale de l'entreprise*) or the judicial liquidation (*liquidation judiciaire*) of the Issuer or (b) the liquidation of the Issuer for any other reason.

If notice is given by the Issuer of its intention to pay the whole or part of Arrears of Interest, the Issuer shall be obliged to do so upon the expiration of such notice. When Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest Interest Period in respect of which Arrears of Interest have accrued and have not been paid in full. Arrears of Interest shall (to the extent permitted by law) bear interest accruing (but only, in accordance with Article 1154 of the French *Code civil*, after such interest has been due for a period of at least one year) and compounding on the basis of the exact number of days which have elapsed at the prevailing rate of interest on the Undated Subordinated Notes in respect of each relevant Interest Period. For these purposes the following expressions have the following meanings:

"**Compulsory Interest Payment Date**" means any Interest Payment Date on which the Issuer has (i) declared or paid any dividend (final or interim) of any nature (whether in cash, shares or any other form and including, any interim dividend (*acompte sur dividende*) on any Share Capital Securities, (ii) redeemed, repurchased or otherwise acquired any

Share Capital Securities by any means other than in connection with the performance by the Issuer of its obligations under any existing or future benefit plan, share option plan or free share allocation scheme reserved for directors, officers or employees of the Issuer or (iii) at its election, redeemed, repurchased or otherwise acquired any Parity Securities (other than Notes).

"**Optional Interest Payment Date**" means any Interest Payment Date, as the case may be, other than a Compulsory Interest Payment Date.

"**Parity Securities**" means any subordinated obligations or other instruments issued by the Issuer which rank, or are expressed to rank, *pari passu* among themselves and with the Subordinated Notes.

"**Share Capital Securities**" means (a) any ordinary shares (*actions ordinaires*) of the Issuer and (b) any other class of the Issuer's share capital (including preference shares (*actions de préférence*, including *actions à dividendes prioritaires sans droit de vote*), or other priority shares (*actions de priorité*)) issued by the Issuer.

(i) **Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding**

(i) If any Margin or Rate Multiplier is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph

(ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be

(iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes unit means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.

(j) **Calculations:** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

- (k) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Optional Redemption Amounts, Early Redemption Amounts and Instalment Amounts:** As soon as practicable after the relevant time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount, Early Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are admitted to trading on a Regulated Market and the rules of, or applicable to, such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.
- (l) **Calculation Agent and Reference Banks:** The Issuer shall use its best efforts to procure that there shall at all times be four Reference Banks (or such other number as may be required by the Conditions) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined in Condition 4). If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid. So long as the Notes are admitted to trading on a Regulated Market and the rules of, or applicable to, that Regulated Market so require, notice of any change of

Calculation Agent shall be given in accordance with Condition 15.

6 Redemption, Purchase and Options

- (a) **Final Redemption:** Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any option provided by the relevant Final Terms including any Issuer's option in accordance with Condition 6(c) or any Noteholders' option in accordance with Condition 6(d), each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within Condition 6(b) below, its final Instalment Amount.
- (b) **Redemption by Instalments and Final Redemption:** Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or the relevant Instalment Date (being one of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(c) or (6)(d), each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Notes, on the due date for such payment or (ii) in the case of Materialised Notes, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (c) **Redemption at the Option of the Issuer, Exercise of Issuer's Options and Partial Redemption:** If a Call Option is specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer with all relevant laws, regulations and directives and on giving not less than 15 nor more than 30 days' irrevocable notice in accordance with Condition 15 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms), redeem or exercise any Issuer's option (as may be described) in relation to all, or, if so provided, some, of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest), if any. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed specified in the relevant Final Terms and no greater than the maximum nominal amount to be redeemed specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option in respect of Materialised Notes, the notice to holders of such Materialised Notes shall also contain the number of the Definitive Materialised Bearer Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market

requirements.

In the case of a partial redemption of or a partial exercise of an Issuer's option in respect of Dematerialised Notes, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Notes and, in such latter case, the choice between those Dematerialised Notes that will be fully redeemed and those Dematerialised Notes of any Series that will not be redeemed shall be made in accordance with Article R.213-16 of the French *Code monétaire et financier* and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and Regulated Market requirements.

So long as the Notes are admitted to trading on a Regulated Market and the rules of, or applicable to, such Regulated Market require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper with general circulation in the city where the Regulated Market on which such Notes are admitted to trading is located, which in the case of Euronext Paris is expected to be *Les Echos*, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes, a list of any Definitive Materialised Bearer Notes drawn for redemption but not surrendered.

- (d) **Redemption at the Option of Noteholders and Exercise of Noteholders' Options:** If a Put Option is specified in the relevant Final Terms the Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption including, where applicable, any Arrears of Interest.

To exercise such option or any other Noteholders' option that may be set out in the relevant Final Terms (which must be exercised on an Option Exercise Date) the Noteholder must deposit with any Paying Agent at its specified office during usual business hours a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained during usual business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. Such notice shall, in the case of Materialised Bearer Notes, have attached to it such Note (together with all unmatured Receipts and Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Paying Agent specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred may be withdrawn without the prior consent of the Issuer.

It may be that before a Put Option can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

- (e) **Early Redemption:**

(i) Zero Coupon Notes:

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(f) or upon it becoming due and payable as provided in Condition 9 shall be

the Amortised Nominal Amount (calculated as provided below) of such Note unless otherwise specified in the relevant Final Terms.

- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(f) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal Amount becomes due and payable were the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(d).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the relevant Final Terms.

- (ii) Other Notes:

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(f), or upon it becoming due and payable as provided in Condition 9 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest) unless otherwise specified in the relevant Final Terms.

- (f) **Redemption for Taxation Reasons:**

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Conditions 8(a) and 8(b) below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than 60 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with, unless otherwise specified in the relevant Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) provided that the due date for redemption of

which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.

- (ii) If the Issuer would on the next payment of principal or interest in respect of the Notes be prevented by French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Conditions 8(a) and 8(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven days' prior notice to the Noteholders in accordance with Condition 15, redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount together with, unless otherwise specified in the relevant Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) 14 days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Notes, or, if applicable, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.
- (g) **Partly Paid Notes:** Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified in the relevant Final Terms.
- (h) **Purchases:** The Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price, subject to the applicable laws and/or regulations. Any Notes so purchased by the Issuer may be held and resold in accordance with Article L.213-1 A of the French *Code monétaire et financier* for the purpose of enhancing the liquidity of the Notes.
- (i) **Cancellation:** All Notes redeemed or purchased for cancellation by or on behalf of the Issuer will be cancelled, in the case of Dematerialised Notes, together with all rights relating to payment of interest and other amounts relating to such Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Bearer Notes, together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith, by surrendering to the Fiscal Agent the Temporary Global Certificate and the Definitive Materialised Bearer Notes in question together with all unmatured Receipts and Coupons and all unexchanged Talons. Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be re-issued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged. For so long as the Notes are listed and admitted to trading on Euronext Paris, the Issuer will forthwith inform Euronext Paris of any such cancellation.
- (j) **Illegality:** If, by reason of any change in French law, or any change in the official application of such law, becoming effective after the Issue Date, it will become unlawful for

the Issuer to perform or comply with one or more of its obligations under the Notes, the Issuer will, subject to having given not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest).

- (k) **Redemption at the option of Noteholders following a Change of Control:** If at any time while any of the Notes remains outstanding, there occurs a Change of Control and within the Change of Control Period a Rating Downgrade in respect of that Change of Control occurs (a "**Put Event**"), the holder of each Note will have the option (the "**Put Option**") (unless, prior to the giving of the Put Event Notice (as defined below), the Issuer gives not more than 60 nor less than 30 days' prior notice to the Noteholders in accordance with Condition 15 of its intention to redeem the Notes pursuant to Condition 6(c) (if specified in the relevant Final Terms as applicable), Condition 6(f) or Condition 6(j) (which notice shall be irrevocable)) to require the Issuer to redeem or, at the Issuer's option, to procure the purchase of that Note on the Optional Settlement Date (as defined below) at its principal amount together with accrued interest (including, where applicable, any Arrears of Interest) to but excluding the Optional Settlement Date.

"**Control**", in respect of any entity, means:

- (i) the holding or acquisition, directly or indirectly, by any person or persons acting in concert or any person or persons acting on behalf of any such person(s) (the "**Relevant Person(s)**") of (A) more than 50 per cent. of the issued share capital of such entity; or (B) a number of shares in the share capital of such entity carrying more than 50 per cent. of the voting rights normally exercisable at a general meeting of such entity; or (C) a number of shares in the share capital of such entity carrying at least 40 per cent. of the voting rights normally exercisable at general meetings of such entity and no other shareholder of such entity, directly or indirectly, acting alone or in concert with others, holds a number of shares carrying a percentage of the voting rights normally exercisable in such general meetings which is higher than the percentage of voting rights attached to the number of shares held by such Relevant Person(s) or;
- (ii) whether by the ownership of share capital or the possession of voting power, contract or otherwise the ability, directly or indirectly, of any Relevant Person(s) to appoint or dismiss all or the majority of the members of the *Conseil d'administration* or other governing or supervisory body of such entity.

A "**Change of Control**" in respect of the Issuer shall be deemed to have occurred at each time (whether or not approved by the Issuer) that any Relevant Person(s), at any time following the Issue Date of the Notes acquire(s) Control of the Issuer.

"**Change of Control Period**" means the period commencing on the date that is the earlier of:

- (i) the date of the first of any formal public announcement that the relevant Change of Control in respect of the Issuer has occurred; and
- (ii) the date of the earliest relevant Potential Change of Control Announcement (if any),

and ending 120 days after the date of the first public announcement of such relevant

Change of Control having occurred (the "**Initial Longstop Date**"),

provided that, unless any other Rating Agency has on or prior to the Initial Longstop Date effected a Rating Downgrade in respect of its rating of the Notes, if one or more Rating Agency publicly announces at any time on or after the date which is 60 days prior to the Initial Longstop Date that it has placed its rating of the Notes under consideration for rating review as a consequence of such Change of Control, the Change of Control Period shall be extended to the date which falls 60 days after the date of the first such public rating review consideration announcement.

"**Potential Change of Control Announcement**" means any public announcement or statement by the Issuer, any actual or potential bidder or any advisor thereto relating to any potential Change of Control, such announcement or statement occurring no more than 180 days prior to the first public announcement of the occurrence of the relevant Change of Control.

"**Rating Agency**" means Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies, Inc. and/ or Moody's Investors Service Ltd and their respective successors or affiliates and/ or any other rating agency of equivalent international standing specified from time to time by the Issuer which has a current rating of the Notes at any relevant time.

A "**Rating Downgrade**" shall be deemed to have occurred in respect of a Change of Control in respect of the Issuer if within the Change of Control Period the rating previously assigned to any of the Notes by any Rating Agency is (i) withdrawn or (ii) changed from an investment grade rating (BBB-/Baa3, or their respective equivalents for the time being, or better) to a non-investment grade rating (BB+/Ba1, or their respective equivalents for the time being, or worse) or (iii) if the rating previously assigned to any of the Notes by any Rating Agency was below an investment grade rating (as described above), lowered at least one full rating notch (for example, from BB+/Ba1 to BB/Ba2 or their respective equivalents), provided that a Rating Downgrade otherwise arising by virtue of a particular change in rating shall be deemed not to have occurred in respect of a particular Change of Control in respect of the Issuer if the Rating Agency making the change in rating does not publicly announce or publicly confirm that the reduction was the result, in whole or part, of any event or circumstance comprised in or arising as a result of, or in respect of, such Change of Control.

Promptly upon the Issuer becoming aware that a Put Event has occurred, the Issuer shall give notice (a "**Put Event Notice**") to the Noteholders in accordance with Condition 15 (which notice shall be irrevocable) specifying the nature of the Put Event and the circumstances giving rise to it and the procedure for exercising the Put Option contained in this Condition 6(k).

To exercise the Put Option to require redemption or, as the case may be, purchase of a Note under this Condition 6(k), the holder of that Note must (i) in the case of Dematerialised Notes transfer or cause to be transferred by its Account Holder its Notes to be so redeemed or purchased to the account of the Paying Agent specified in the Put Option Notice for the account of the Issuer or (ii) in the case of Materialised Notes, deposit its Notes with any Paying Agent specified in the Put Option Notice for the account of the Issuer, in each case within the period (the "**Put Period**") of 45 days after the Put Event Notice is given together with a duly signed and completed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (a "**Put Option Notice**") and in which the holder may specify a bank account to which payment is to be made under this

Condition 6(k).

The Issuer shall redeem or, at the option of the Issuer, procure the purchase of, the Notes in respect of which the Put Option has been validly exercised as provided above, and subject to the transfer or deposit of such Notes as described above on the date which is the fifth Business Day (as defined in Condition 5(a)) following the end of the Put Period (the "**Optional Settlement Date**"). Payment in respect of any Note so transferred or deposited will be made to each relevant holder in accordance with Condition 7 on the Optional Settlement Date.

If 80 per cent. or more in principal amount of the Notes then outstanding have been redeemed pursuant to this Condition 6(k), the Issuer may, on not less than 30 nor more than 60 days' notice to the Noteholders given within 30 days after the Optional Settlement Date, redeem on a date to be specified in such notice (the "**Squeeze Out Redemption Date**"), at its option, all (but not some only) of the remaining Notes at their principal amount, together with interest accrued to but excluding the Squeeze Out Redemption Date, and where applicable, any Arrears of Interest.

7 Payments and Talons

- (a) **Dematerialised Notes:** Payments of principal and interest (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Dematerialised Notes shall (in the case of Dematerialised Notes in bearer dematerialised form or administered registered form) be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the Noteholders and, (in the case of Dematerialised Notes in fully registered form), to an account denominated in the relevant currency with a Bank (as defined below) designated by the Noteholders. All payments validly made to such Account Holders will be an effective discharge of the Issuer in respect of such payments.
- (b) **Materialised Bearer Notes:** Payments of principal and interest (including, for the avoidance of doubt, any Arrears of Interest, where applicable) in respect of Materialised Bearer Notes shall, subject as mentioned below, be made against presentation and surrender during usual business hours of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Materialised Bearer Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the Noteholder, by transfer to an account denominated in such currency with, a Bank.

"**Bank**" means a bank in the principal financial centre for such currency or, in the case of Euro, in a city in which banks have access to the TARGET 2 System.

- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Bearer Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange

controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Consolidation Agent and the Registration Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) Paying Agents having specified offices in at least two major European cities, including in the case of Notes admitted to trading on a Regulated Market and so long as the rules of, or applicable to, the relevant Regulated Market so require, in such other city where the Notes are admitted to trading (including Paris so long as the Notes are listed and admitted to trading on Euronext Paris) (v) in the case of Materialised Notes, a Paying Agent with a specified office in a European Union Member State (which may be any of the Paying Agents referred to in (iv) above) that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments, or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive, (vi) in the case of Dematerialised Notes, in fully registered form, a Registration Agent and (vii) such other agents as may be required by any other Regulated Market on which the Notes may be admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Bearer Notes denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

On a redenomination of the Notes of any Series pursuant to Condition 1(d) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 14, the Issuer shall ensure that the same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 15.

- (f) **Unmatured Coupons and Receipts and unexchanged Talons:**
- (i) Unless Materialised Bearer Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Materialised Bearer Notes

should be surrendered for payment together with all unmatured Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmatured Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) (or, in the case of payment not being made in full, that proportion of the amount of such missing unmatured Coupon (together, where applicable, with the amount of any Arrears of Interest corresponding to such Coupon) that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 10).

- (ii) If Materialised Bearer Notes so provide, upon the due date for redemption of any such Materialised Bearer Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (iii) Upon the due date for redemption of any Materialised Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
 - (iv) Upon the due date for redemption of any Materialised Bearer Note that is redeemable in instalments, all Receipts relating to such Materialised Bearer Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
 - (v) Where any Materialised Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons, and where any Materialised Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
 - (vi) If the due date for redemption of any Materialised Bearer Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, (including, for the avoidance of doubt, any Arrears of Interest if applicable) shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Bearer Note. Interest accrued on a Materialised Bearer Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Materialised Bearer Notes.
- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 10).
- (h) **Non-Business Days:** If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this

paragraph, "**business day**" means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "**Financial Centres**" in the relevant Final Terms and (B) (i) (in the case of a payment in a currency other than Euro), where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) (in the case of a payment in Euro), which is a TARGET 2 Business Day.

8 Taxation

(a) **Withholding Tax**

All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) **Additional Amounts**

If French law should require that payments of principal or interest (including, for the avoidance of doubt, any Arrears of Interest) in respect of any Note, Receipt or Coupon be subject to deduction or withholding in respect of any present or future French taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon, as the case may be:

(i) *Other connection:*

to, or to a third party on behalf of, a Noteholder or, if applicable, a Receiptholder or a Couponholder, as the case may be, who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with the Republic of France other than the mere holding of the Note, Receipt or Coupon; or

(ii) *Presentation more than 30 days after the Relevant Date in the case of Materialised Notes:*

in the case of Materialised Notes, more than 30 days after the Relevant Date except to the extent that the Noteholder or, if applicable, a Receiptholder or a Couponholder, as the case may be, would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or

(iii) *Payment to individuals:*

where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC of 3 June 2003 or any other EU Directive implementing the conclusions of the ECOFIN Council Meeting of 26-27 November 2000 on the taxation of savings income, or any

law implementing or complying with, or introduced in order to conform to, such Directive; or

(iv) *Payment by another paying agent in the case of Materialised Notes:*

in respect of Definitive Materialised Bearer Notes, presented for payment by or on behalf of a holder of any Note, Receipt or Coupon, as the case may be, who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the EU.

As used in these Conditions, "**Relevant Date**" in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due (and, for the avoidance of doubt, in the case of Arrears of Interest, references to becomes due shall be interpreted in accordance with the provisions of Condition 5(h)) or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or, in the case of Materialised Notes (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note, Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation.

References in these Conditions to (i) "**principal**" shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) "**interest**" shall be deemed to include all Interest Amounts and all other amounts (including, for the avoidance of doubt, all Arrears of Interest) payable pursuant to Condition 5 or any amendment or supplement to it and (iii) "**principal**" and/or "**interest**" shall be deemed to include any additional amounts that may be payable under this Condition.

9 Events of Default

The Representative (as defined in Condition 11), upon request of any Noteholder, may, upon written notice to the Issuer and the Fiscal Agent given before all defaults shall have been cured, cause all the Notes (but not some only) held by such Noteholder to become immediately due and payable at their principal amount, together with any accrued interest thereon (including, where applicable, any Arrears of Interest), as of the date on which such notice for payment is received by the Issuer and the Fiscal Agent without further formality, if any of the following events (each an "**Event of Default**") shall occur:

- (a) **Unsubordinated Notes:** In the case of Unsubordinated Notes:
- (i) default in any payment when due of interest on any of the Notes, and the continuance of any such default for a period of 15 days thereafter; or
 - (ii) default in the performance of, or compliance with, any other obligation of the Issuer under the Notes, if such default shall not have been remedied within 30 days after receipt by the Fiscal Agent of written notice of such default given by the Representative (as defined in Condition 11); or
 - (iii) any other present or future indebtedness of the Issuer or of its Principal Subsidiaries (as defined in Condition 4) for borrowed money in excess of Euro 100,000,000 (or its equivalent in any other currency) shall become due and payable prior to its stated maturity as a result of a default thereunder, or any such indebtedness shall not be paid when due or, as the case may be, within any

applicable grace period therefor, unless the Issuer or any such Principal Subsidiary is contesting in good faith and by appropriate proceedings before a competent court that such indebtedness was due and payable; or

- (iv) if the Issuer or any of its Principal Subsidiaries (as defined in Condition 4) makes any proposal for a general moratorium in relation to its debt; or applies for the appointment of a *mandataire ad hoc*, or enters into an amicable settlement (*procédure de conciliation*) with its creditors; or a judgement is issued for the judicial liquidation (*liquidation judiciaire*) or for the transfer of the whole business (*cession totale de l'entreprise*) of the Issuer or of the relevant Principal Subsidiary; or to the extent permitted by applicable law, the Issuer or any of its Principal Subsidiaries is subject to any other insolvency or bankruptcy proceedings; or the Issuer or any of its Principal Subsidiaries makes any conveyance, assignment or other arrangement for the benefit of, or enters into a composition with, its creditors; or the Issuer ceases to carry on all or a substantial part of its business or operations or is dissolved except (i) any operation falling within the definition of Permitted Reorganisation (as defined below) or (ii) with the prior approval of the Masse, for the purposes of, or in connection with, an amalgamation, reorganisation, consolidation or merger (other than a Permitted Reorganisation) which is implemented.

The occurrence of any Event of Default must be notified to the Noteholders by a publication in accordance with the provisions of Condition 15.

"Permitted Reorganisation" means a reconstruction, amalgamation, merger, consolidation or transfer of assets and/or activities (a **"Reorganisation"**) where the surviving legal entity which acquires or to which is transferred all or a substantial part of the business and/or activities of the Issuer:

- (a) expressly and effectively by law assumes all the obligations of the Issuer under the Notes and has obtained all authorisations therefore; and
 - (b) benefits from a senior long term debt rating from either Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies, Inc. or Moody's Investors Service Ltd or their respective successors or affiliates and/ or any other rating agency of equivalent international standing specified from time to time by the Issuer which is equal to or higher than the senior long term debt rating of the Notes immediately prior to the Reorganisation.
- (b) **Subordinated Notes:** In the case of Subordinated Notes and in accordance with Condition 3(b), if any judgment shall be issued for the transfer of the whole of its business (*cession totale de l'entreprise*) or the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason then the Subordinated Notes shall become immediately due and payable, in accordance with Condition 3(b), at their principal amount together with any accrued interest to the date of payment and where applicable, any Arrears of Interest, without further formality.

10 Prescription

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten (10) years (in the case of principal) or five (5) years (in the case of interest) from the appropriate Relevant Date in respect of them.

11 Representation of Noteholders

Except as otherwise provided by the relevant Final Terms, Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a masse (in each case, the "Masse").

The Masse will be governed by the provisions of the French Code de commerce with the exception of Articles L.228-48, L.228-59, R.228-63, R.228-67 and R.228-69, subject to the following provisions:

(a) Legal Personality

The Masse will be a separate legal entity and will act in part through a representative (the "**Representative**") and in part through a general meeting of the Noteholders (the "**General Meeting**").

The Masse alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

(b) Representative

The office of Representative may be conferred on a person of any nationality who agrees to perform such function. However, the following persons may not be chosen as Representatives:

- (i) the Issuer, the members of its Board of Directors (*Conseil d'administration*), or, as the case may be, the members of its Executive Board (*Directoire*) and its Supervisory Board (*Conseil de surveillance*), and its general managers (*directeurs généraux*), its statutory auditors, or its employees as well as their respective ascendants, descendants and spouse; or
- (ii) companies guaranteeing all or part of the obligations of the Issuer, their respective managers (*gérants*), general managers (*directeurs généraux*), members of their Board of Directors, Executive Board (*Directoire*), or Supervisory Board (*Conseil de surveillance*), their statutory auditors, or employees as well as their respective ascendants, descendants and spouse; or
- (iii) companies holding 10 per cent. or more of the share capital of the Issuer or companies having 10 per cent. or more of their share capital held by the Issuer; or
- (iv) persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

The names and addresses of the initial Representative of the Masse and its alternate will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single Masse of all Tranches in such Series.

The Representative will be entitled to such remuneration in connection with its functions or duties as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by another Representative. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate

Representative will be elected by the General Meeting.

All interested parties will at all times have the right to obtain the names and addresses of the initial Representative and the alternate Representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(c) **Powers of Representative**

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the Noteholders.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

The Representative may not interfere in the management of the affairs of the Issuer.

(d) **General Meeting**

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two months after such demand, the Noteholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, time, place and agenda of any General Meeting will be published as provided under Condition 15.

Each Noteholder has the right to participate in a General Meeting in person, by proxy correspondence, or, if the *statuts* of the Issuer so specify², videoconference or any other means of telecommunication allowing the identification of the participating Noteholders. Each Note carries the right to one vote or, in the case of Notes issued with more than one Specified Denomination, one vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Note.

(e) **Powers of the General Meetings**

The General Meeting is empowered to deliberate on the dismissal and replacement of the Representative and the alternate Representative and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Notes, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase the liabilities (*charges*) of Noteholders, nor establish any unequal treatment between the Noteholders, nor decide to convert Notes into shares.

² At the date of this Base Prospectus the *statuts* of the Issuer do not contemplate the right for a Noteholder to participate in a General Meeting by videoconference or any other means of telecommunication allowing the identification of the participating Noteholders.

General Meetings may deliberate validly on first convocation only if Noteholders present or represented hold at least a fifth of the principal amount of the Notes then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by the Noteholders attending such General Meetings or represented thereat.

In accordance with Article R.228-71 of the French *Code de commerce*, the right of each Noteholder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Noteholder as of 0:00, Paris time, on the third business day in Paris preceding the date set for the meeting of the relevant General Meeting.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 15.

(f) **Information to Noteholders**

Each Noteholder or Representative thereof will have the right, during the 15-day period preceding the holding of the General Meeting on first convocation and, during the 10-day period preceding the holding of the General Meeting on second convocation, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Noteholders at the registered office of the Issuer, at the specified offices of any of the Paying Agents during normal business hours and at any other place specified in the notice of the General Meeting.

(g) **Expenses**

The Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings, expenses of the Representative of the Masse in the performance of its duties and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the Notes.

(h) **Single Masse**

The holders of Notes of the same Series, and the holders of Notes of any other Series which have been assimilated with the Notes of such first mentioned Series in accordance with Condition 14, shall, for the defence of their respective common interests, be grouped in a single Masse. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single Masse of all such Series.

For the avoidance of doubt, in this Condition 11, the term “outstanding” (as defined in Condition 4) shall not include those Notes that are held by the Issuer and not cancelled.

12 Modifications

These Conditions may be amended, modified or varied in relation to any Series of Notes by the terms of the relevant Final Terms in relation to such Series.

13 Replacement of Definitive Notes, Receipts, Coupons and Talons

If, in the case of any Materialised Bearer Notes, a Definitive Materialised Bearer Note, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and Regulated Market regulations, at the specified office of the Fiscal

DESCRIPTION OF THE ISSUER

History of VINCI

VINCI ("**VINCI**" or the "**Group**"), originally named Société Générale d'Entreprise ("**SGE**"), was created in 1908. SGE experienced strong growth in the years preceding World War I. It contributed to France's defence efforts during the war and to the country's reconstruction afterwards. In the 1920s and 1930s, SGE's main area of growth was electrical power, but the nationalization of SGE's electrical power assets in 1946 forced it to redeploy into building and civil engineering. In the post-war decades, SGE became the leader in France in civil engineering.

In 1966, SGE became part of Compagnie Générale d'Electricité (now named Alcatel-Lucent). In 1970, it developed motorway concessions and, along with GTM, a French construction company, was one of the founders of Cofiroute, which was set up to finance, build and operate the A10 (Paris-Poitiers) and A11 (Paris-Le Mans) motorways.

In 1984, the then French state-owned Compagnie de Saint-Gobain became SGE's majority shareholder and launched a wide-ranging restructuring process as part of which SGE became a holding company, whose main subsidiary Sogea resulted from the merger of SGE-BTP and Saint-Gobain's construction business and focused on construction.

In 1988, after it was privatized, Saint-Gobain sold its controlling interest in SGE to Compagnie Générale des Eaux.

During the period from 1996 to 1999, SGE reorganized its activities around four core businesses: concessions, energy, roads and construction. Over the same period, the SGE group pursued a policy of external growth, focusing on recurring and value added businesses: in 1999, the SGE group thus launched a successful friendly takeover bid on Sogeparc, the then French market leader in car park concessions.

In 2000, Compagnie Générale des Eaux (by then renamed Vivendi) sold most of its shares in SGE to institutional investors. SGE changed its name to VINCI and launched a friendly takeover bid on GTM and the subsequent merger of VINCI and GTM in December 2000 gave rise to the world's leader in concessions, construction and related services.

In 2001, Vivendi Universal (now named Vivendi) and Suez (now named GDF-Suez), GTM's former majority shareholder, both withdrew from VINCI's capital. Sogeparc and Parcs GTM were merged to form VINCI Park, the largest car park operator in Europe.

In 2002, VINCI entered the CAC 40 index on the Paris Stock Exchange and acquired 17% of the French motorway operator Autoroutes du Sud de la France (ASF) when the French government decided to sell 49% of ASF's shares to the public.

In 2003 and 2004, VINCI raised its stake in ASF to 23% and in 2005, VINCI acquired the State and Autoroutes de France's stake in ASF's capital. Thereafter, VINCI successfully launched a standing market offer, thereby increasing its stake to more than 95 per cent. of ASF. The acquisition of ASF was completed on 6 November 2006 with the squeeze out of ASF's remaining shareholders allowing VINCI to hold 100 per cent. of ASF.

Corporate Purpose of VINCI

VINCI's corporate purposes (as more fully set out in Article 2 of VINCI's bylaws (*statuts*)) are:

- undertaking all forms of public (civil engineering) and private construction works and in particular all types of underground works, foundations, hydraulics and reinforced concrete and;
- more generally, undertaking all industrial, commercial, financial, securities and property operations related to the purposes specified above.

Business overview

The Group's activities are structured along two main business lines, Concessions and Contracting.

VINCI's business model is built on the strategic fit between its Concessions and Contracting businesses (i.e. construction, roads and energy):

- operating cycles are long in Concessions and short to medium term in Contracting;
- from a financial point of view, Concessions are capital intensive and generate recurring revenues, whereas Contracting requires relatively little capital but is structurally cash positive;
- expertise is different in each business and relies on programme organization and financing, project management during construction and operation in Concessions and on design and turnkey execution of complex structures in Contracting.

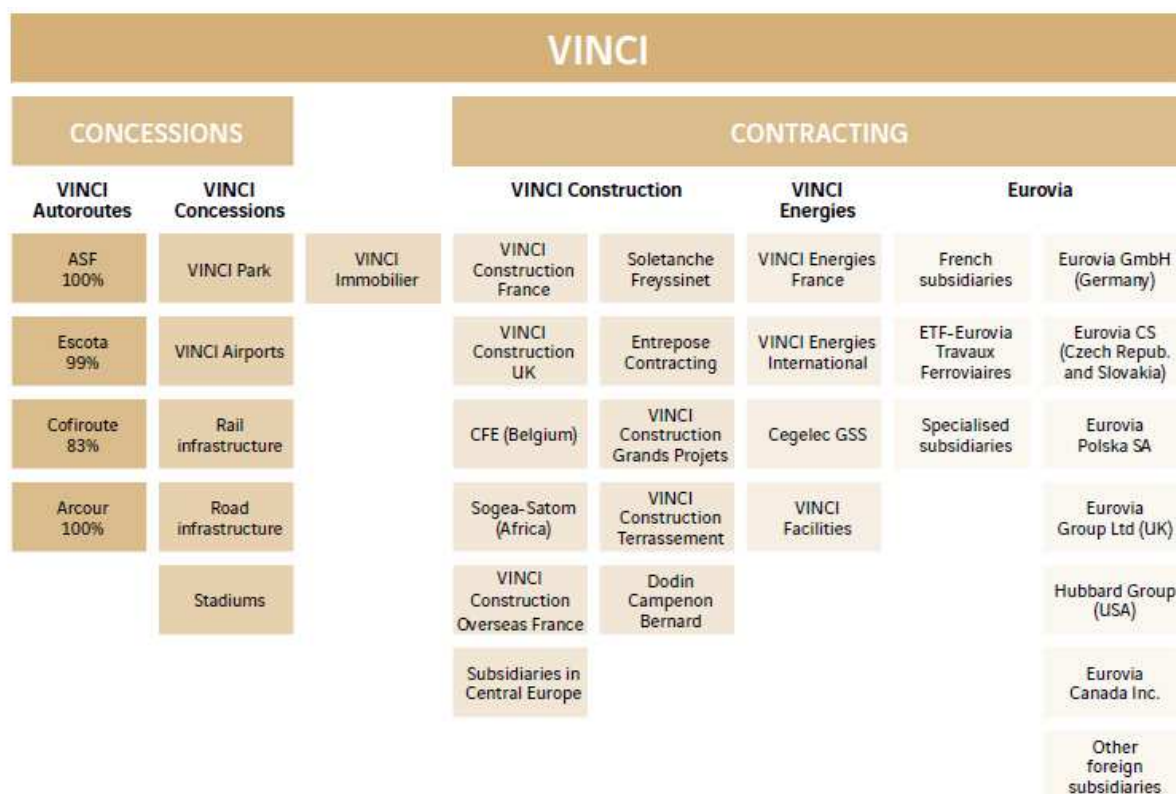

As well as underpinning the Group's expansion in times of economic growth, this model provides resilience in a cyclical downturn.

VINCI's strategy is to continue building on this model and achieve balanced growth in its two main business areas, expanding in international markets and intensifying the synergies between its different business lines. In order to complete this strategy as a way to deliver growing revenues, expanding margins and value creation, VINCI intends in particular to focus on:

- combining its expertise and stakeholders' capabilities for more effective project management;
- faster international growth;
- strengthening VINCI's presence in markets with long-term growth potential.

The Group is employing close to 184, 000 people in some 100 countries. In 2011, its turnover was € 370 billion and its operating profit from ordinary activities was € 3,660 million corresponding to 9.9% of its turnover.

Concessions

The Concessions business of VINCI is divided into two main divisions, VINCI Autoroutes and VINCI Concessions.

In Concessions, VINCI's strategy is focused on diversifying its areas of activity (e.g. road, rail and airport infrastructure, car parks, and large public amenities such as stadiums), and on winning Greenfield (new) concessions as well as acquiring brownfield (existing) concessions, and on developing new services to boost the efficient use of existing infrastructure. VINCI is energetically pursuing technical and managerial synergies between its business lines in order to raise its profile as an integrator of expertise. This approach will apply in first place to large-scale projects mobilising the entire range of VINCI's know-how in the areas of project finance, design, construction, and operation and maintenance.

In 2011, the Concession businesses represented a turnover of € 5,297 million and an operating profit from ordinary activities of € 2,149 million corresponding to 40.6 % of its turnover.

- **VINCI Autoroutes:** With a network of 4,385 km under concession, including 4,310 km in service, VINCI Autoroutes is Europe's leading motorway operator. Its four concession operating companies – ASF, Cofiroute, Escota and Arcour - serve the south and west of France representing half of France's total motorway network under concession. In 2011, VINCI Autoroutes' motorways carry 2.2 million customers daily and had 1.5 million subscribers to the electronic toll collection service. Drivers cover 46.8 billion km annually on VINCI Autoroutes motorways, representing more than 800 million toll transactions.

- **VINCI Concessions:** The following are the different businesses of VINCI Concessions:
 - Motorway and road infrastructure: VINCI Concessions' projects include building, operating and maintaining over 1,000 km of motorway concessions, including the first section of the Moscow-St Petersburg motorway in Russia (43 km), 52 km in Slovakia, 152 km in Germany and 605 km in Greece. Through public-private partnerships (PPPs), VINCI Concessions also operates 10 or so road bridges and tunnels in France, the United Kingdom, Portugal, Greece and Canada, and is building the new Coentunnel in Amsterdam, the Netherlands.
 - Rail infrastructure: VINCI Concessions has a sizeable portfolio of rail concessions, including the 302 km SEA Tours-Bordeaux high-speed rail line, currently the largest infrastructure concession project in Europe, and the GSM-rail digital communication network in France; it also holds the concession for the Rhônexpress link between the centre of Lyon and the city's airport. In Belgium, VINCI Concessions is in charge of the Liefkenshoek rail tunnel project in the port of Antwerp.
 - Stadiums: in France, VINCI Concessions is both the concession company for and the operator of the new stadiums in Nice and Bordeaux. It has also held the concession and operation contracts for the Stade de France outside Paris since 1998, and for the MMArena in Le Mans since 2008. Airports: VINCI Airports is a significant airport operator, with 12 airports, nine of them in France, mainly under public service outsourcing contracts. These are Nantes-Atlantique, Rennes-Bretagne, Clermont-Ferrand-Auvergne, Grenoble-Isère, Chambéry-Savoie, Dinard-Bretagne, Quimper-Cornouaille, Saint-Nazaire-Montoir, Ancenis, and the future Grand Ouest airport. VINCI Airports also holds the concession for Cambodia's three international airports, Phnom Penh, Siem Reap and Sihanoukville. Altogether, these airports handled more than 8.5 million passengers in 2011 and generated combined revenue of € 150 million. Parking: VINCI Park manages a total of 1,461,000 on-road and off-road parking spaces (2,600 car parks) in 12 countries in Europe and North America, under nearly 2,500 concessions or service contracts.

Contracting

The Contracting business of VINCI is divided into three main divisions, the Energy business line, Eurovia and VINCI Construction.

In the Contracting businesses, VINCI's strategy entails building up dense local networks and developing high technical-content specialities with global applications, such as ground technologies, engineering, and oil and gas infrastructure.

At the same time VINCI is working to bolster its large project management resources and capabilities. Another pillar of the Group's strategy is to strengthen the "long-term" dimension of its Contracting business, with the development of service activities such as facilities management, comprehensive road network maintenance and energy services, mainly. In 2011, the Contracting business of VINCI represented a turnover of € 31,495 million and an operating profit from ordinary activities of € 1,435 million corresponding to 4.6 % of the turnover.

- **Energy business line:** VINCI's Energy business line grew out of the combination of VINCI Energies and Cegelec in 2010, and was broadened by the creation of VINCI Facilities. VINCI Energies combines expertise in its own technology areas - electrical power, heating, ventilation and air conditioning (HVAC), mechanical engineering, and information and communication technologies- with expert knowledge of its customer' businesses. It leverages these capabilities to develop high value added solutions to address customers' demands for efficiency, reliability and

safety. These solutions support customers throughout their projects' lifecycle, from project engineering and execution to maintenance, operation and facilities management. Thanks to an exceptionally dense network of 1,500 business units in 40 countries (20 in Europe), VINCI Energies combines global reach with local service. As a key player in energy efficiency and renewable energy, VINCI Energies' capacity to integrate complex systems is a key component of VINCI's overall offer.

- **Eurovia:** Eurovia is a multimodal construction firm that has built its leadership on integrated contracting and materials production and a broad diversity of expertise, spanning:

- transport and urban development infrastructure: Eurovia builds and renovates transport infrastructure, including roads and motorways, rail and light rail systems, as well as airports, and industrial and retail complexes. It also possesses know-how in related areas, including demolition and deconstruction, drainage, earthworks, roads and utility networks, urban development, civil engineering structures and noise barriers;
- quarries: Eurovia operates a network of more than 400 quarries producing an annual 100 million tonnes of aggregate (Eurovia's share is 80 million tonnes), and 150 materials recovery and recycling facilities for concrete, reclaimed asphalt pavement, bottom ash from household waste incinerators, and so on. Eurovia's reserves represent more than 35 years of output (it controls more than 3 billion tonnes of reserves of aggregates) and are contributing to both revenue and income growth while ensuring reliable supplies of materials for its projects;

- industrial production: Eurovia operates a network of 50 binder plants and 405 hot mix plants supplying 25 million tonnes of asphalt annually. A further 10 factories produce road equipment, including signage (panels, overhead sign gantries, paint), industrial and retail floorings (resins), and pre-fabricated products such as noise barriers, etc.;
- services: Eurovia provides comprehensive maintenance and servicing of roads, motorways, rail networks and urban transport infrastructure, as well as upstream design and coordination, consulting and technical support services. In addition, it provides maintenance under long-term contracts, ancillary equipment such as vertical and horizontal signage and safety equipment, and maintenance of all connected structures (public lighting, traffic signals, amenities, green spaces and vegetation).

Eurovia invests in research and development of products and processes to enhance road safety, protect the environment through materials recycling, cutting CO² emissions, etc, and to improve health and safety in the work place. In addition to its activity in France, 42% of its revenue now comes from its international operations, primarily in Western and Central Europe North America and Chile.

- **VINCI Construction:** VINCI Construction is specialized in building, civil engineering, hydraulic engineering and contracting-related specialities.

(i) Its three business areas form an excellent strategic fit. A network of local subsidiaries:

- in France, VINCI Construction France stands at the head of a network of 472 profit centres with strong local roots, and around 30 local subsidiaries in France's overseas territories and dependencies;

- outside France, with VINCI Construction UK in the United Kingdom, CFE (46.8% owned by VINCI) mainly in Benelux, Warburd, Prumstav, SMP, SMS, APS Alkon in Central Europe and Sogea-Satom in Africa;

The following press release was published by VINCI on 27 April 2012:

“VINCI ACQUIRES EVT A DIVISION OF ALPIQ AND STRENGTHENS ITS ENERGY AND COMMUNICATION INFRASTRUCTURE BUSINESS IN GERMANY AND CENTRAL EUROPE

VINCI Energies has reached an agreement with Swiss company Alpiq to acquire Energieversorgungstechnik (EVT), its division that groups together its energy and telecommunications infrastructure engineering and installation activities in Germany and Central Europe.

EVT is a vertically integrated unit offering a comprehensive range of services including engineering, planning, construction and maintenance for power transmission and distribution operators, telecommunications infrastructure operators and industry. EVT is based in Germany and has been operating in Central Europe for around 15 years through local subsidiaries. With some 3,000 employees, the company generated revenue of €512 million and EBITDA of €37million in 2011.

With the acquisition of EVT, VINCI Energies strengthens its operations in Germany, its second largest market, where it generated 2011 revenue of €1.2 billion. It is thus positioning itself as one of the key players in Europe’s infrastructure market in anticipation of a restructuring of the energy industry. The deployment of new means of power production on the continent and the growth of new uses for electricity will make it necessary to adapt networks, creating a source of major opportunities for VINCI Energies.

The EVT acquisition is based on an equity value of €195 million and estimated liabilities of €45 million (pension fund and minority interests). The transaction has been submitted for approval by the relevant competition authorities and is expected to be finalised during the third quarter of 2012.

One of VINCI's five business lines, VINCI Energies has 60,000 employees and generated revenue of €8.7 billion in 2011. It has established itself as a market leader in France and a key player in Europe in energy and information technology services.”

PUBLIC TENDER OFFER FOLLOWED BY A SQUEEZE OUT FOR THE SHARES ISSUED BY ENTREPOSE CONTRACTING

As a result of a simplified public tender offer followed by a squeeze out, VINCI holds directly and indirectly 100% of ENTREPOSE CONTRACTING shares.

The simplified public tender offer was processed from 25 May to 14 June 2012 included, at a price of €100 per ENTREPOSE CONTRACTING share, pursuant to a clearance decision from the French *Autorité des Marchés Financiers* dated 22 May 2012.

The squeeze out took place on 20 June 2012 in order to acquire all of the ENTREPOSE CONTRACTING shares targeted by the offer which were not tendered to the offer by the minority shareholders, upon compensation per share set at the offer price, i.e., €100 per ENTREPOSE CONTRACTING share. On the same date, the ENTREPOSE Contracting shares have been delisted from the regulated market managed by NYSE Euronext in Paris.

ENTREPOSE Contracting, which specializes in the design and construction of projects in the oil and gas sectors, became a VINCI subsidiary in 2007 as a result of share purchase agreements and a public tender offer. ENTREPOSE Contracting is now fully integrated within the VINCI group.

- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in paragraphs (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “**Prospectus Directive**” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73/EC.

Materialised Bearer Notes having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Each Dealer has agreed that, except as permitted by the Amended and Restated Dealer Agreement, it will not offer, sell or, in the case of Materialised Bearer Notes, deliver Notes, of any identifiable Tranche (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of any identifiable Tranche as determined, and certified to the Issuer, by the Fiscal Agent, or in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit

of, U.S. persons, and it will have sent to each dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in the preceding sentence have the meanings given to them by Regulation S.

The Notes are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S.

In addition, until 40 days after the commencement of the offering of any identifiable Tranche of Notes, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering of such Tranche of Notes) may violate the registration requirements of the Securities Act.

This Base Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason. TAXATION

The following is a summary limited to certain tax considerations in France, in Luxembourg and in the European Union relating to the Notes that may be issued under the Programme and specifically contains information on taxes on the income from the securities withheld at source. This summary is based on the laws in force in France and in Luxembourg as of the date of this Base Prospectus and is subject to any changes in law. It does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes and should not apply information set out below to other areas including (but not limited to) the legality of transactions involving the Notes.

1. EU Savings Directive

The EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments (the **Directive**) requires each Member State as from 1 July 2005 to provide to the tax authorities of another Member State details of payments of interest and other similar income within the meaning of the Directive made by a paying agent within its jurisdiction to (or under circumstances to the benefit of) a beneficial owner (within the meaning of the Directive) resident in that other Member State, except that Luxembourg and Austria will instead impose a withholding system for a transitional period unless the beneficiary of interest payment elects for the exchange of information. A number of non-EU countries and territories including Switzerland have agreed to adopt similar measures (a withholding system in the case of Switzerland) with effect from the same date.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on a payment made by a paying agent, the Issuer will be required to maintain a paying agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

On 13 November 2008, the European Commission published a proposal for amendments to the Directive. The proposal included a number of suggested changes which, if implemented, would broaden the scope of the rules described above. The European Parliament adopted an amended version of this proposal on 24 April 2009. Investors who are in any doubt as to their position should consult their professional advisers.

2. French Taxation

2.1 Savings Directive

The Directive has been implemented in French law by Article 242 *ter* of the French *Code général des impôts* and Articles 49 I *ter* to 49 I *sexies* of the Schedule III to French *Code général des impôts*. Article 242 *ter* of the French *Code général des impôts*, imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Please refer to the section "*EU Savings Directive*" above for more details.

2.2 French Withholding Tax

Following the introduction of the French *loi de finances rectificative pour 2009 no. 3* (n°2009-1674 dated 30 December 2009) (the **Law**), payments of interest and other revenues made by the Issuer with respect to

Notes (other than Notes which are consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued prior to 1 March 2010 having the benefit of Article 131 *quater* of the French General Tax Code) will not be subject to the withholding tax set out under Article 125 A III of the French General Tax Code unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French General Tax Code (a **Non-Cooperative State**). If such payments under the Notes are made in a Non-Cooperative State, a 50 % withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French General Tax Code.

Furthermore, interest and other revenues on such Notes may not be deductible from the Issuer's taxable income, if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French General Tax Code, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French General Tax Code, at a rate of 30% or 55%.

Notwithstanding the foregoing, the Law provides that neither the 50% withholding tax nor the non-deductibility will apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes were not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the **Exception**). Pursuant to the ruling (*rescrit*) no. 2010/11 (FP and FE) of the *Direction générale des finances publiques* published on 22 February 2010, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

- (i) offered by means of a public offer within the meaning of Article L.411-1 of the French Monetary and Financial Code or pursuant to an equivalent offer in a state other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.
