To the Shareholders,

In our capacity as Statutory Auditors of your company and pursuant to the mission provided for by Article L.22-10-62 of the French Commercial Code in the event of capital reductions by the cancellation of shares purchased, we have prepared this report intended to inform you of our assessment of the reasons for and terms and conditions of the proposed capital reduction.

The Board of Directors proposes that you confer on it all necessary powers, for a period of 26 months with effect from the date of this Meeting, to cancel shares purchased pursuant to an authorisation of purchases by the Company of its own shares in the context of the aforementioned Article, up to a maximum of 10% of the number of shares making up the share capital on the day the Board of Directors takes a decision to cancel shares per 24-month period.

We have carried out the procedures we considered necessary for this task in accordance with the professional guidelines of the French National Institute of Statutory Auditors (Compagnie Nationale des Commissaires aux Comptes). Those procedures involved examining whether the reasons for and the terms and conditions of the proposed capital reduction, which is unlikely to undermine the equality of shareholders, are appropriate.

We have no comments on the reasons for or the terms and conditions of the proposed capital reduction.
