To the Shareholders,

In our capacity as Statutory Auditors of your Company and pursuant to Article L.225-115 5° of the French Commercial Code, we have prepared this certificate on the information appearing in the attached document relating to the total amount of payments made pursuant to paragraphs 1 to 5 of Article 238 bis of the French Tax Code in the year ended 31 December 2025.

Your Board of Directors was responsible for preparing this information.

Our role is to certify this information.

In the context of our duties as Statutory Auditors, we have carried out an audit of the parent company financial statements for the year ended 31 December 2025. The purpose of our audit, which was conducted in accordance with professional standards applicable in France, was to form an opinion on the parent company financial statements as a whole, not on the specific elements of these statements used to determine the total amount of payments made under paragraphs 1 to 5 of Article 238 bis of the French Tax Code. Consequently, we did not carry out our audit tests and sampling for that purpose and we express no opinion on those items in isolation.

We have carried out the procedures we considered necessary for this task in accordance with the professional guidelines of the Compagnie Nationale des Commissaires aux Comptes (CNCC, the representative body of the statutory audit profession in France). Those procedures, which constitute neither an audit nor a limited review, involve making the necessary reconciliations between the total amount of payments made pursuant to paragraphs 1 to 5 of Article 238 bis of the French Tax Code and the accounts from which the figure was calculated, and verifying that the amount corresponds to the information used to prepare the parent company financial statements for the year ended 31 December 2025.

Based on our work, we have no observations to make on the correspondence between the total amount of payments made pursuant to paragraphs 1 to 5 of Article 238 bis of the French Tax Code appearing in the attached document and amounting to €5,416,351, and the accounts used as the basis for preparation of the parent company financial statements for the year ended 31 December 2025.
