Report of the Statutory Auditors on the issue of shares and/or other securities with preferential subscription rights maintained and/or cancelled

(Combined Shareholders' General Meeting of 13 April 2023 – Seventeenth, eighteenth, nineteenth, twentieth and twenty-first resolutions)

To the Shareholders,
VINCI
French public limited company (Société Anonyme)

1973 boulevard de la Défense
92757 Nanterre Cedex - France

In our capacity as Statutory Auditors of your company (the “Company”) and pursuant to the mission provided for by Articles L. 228-92, L. 225-135 et seq. and L. 22-10-52 of the French Commercial Code, we present our report on the proposal to delegate authority to the Board of Directors to carry out various issues of shares and/or other securities, being transactions on which you are asked to make a decision.

On the basis of its report, the Board of Directors is proposing that you:

- delegate authority to it, for a period of 26 months from this meeting and including the power to sub-delegate, to decide the following transactions and to set the definitive terms of the issues, and is proposing to cancel your preferential subscription rights as the case may be:
 - the issue, with preferential subscription rights maintained (seventeenth resolution), of (i) ordinary shares in the Company, or (ii) equity securities giving access to other equity securities or conferring a right to the allocation of debt securities, or (iii) negotiable securities giving access to equity securities to be issued by the Company or by any company in which the Company directly or indirectly owns over half of the share capital;
 - the issue, with preferential subscription rights cancelled, through a public offering other than those mentioned in Article L. 411-2(1) of the French Monetary and Financial Code (eighteenth resolution), of debt securities convertible into (i) equity securities to be issued by the Company or by any company in which the Company directly or indirectly owns over half of the share capital or (ii) existing equity securities of another company in which the Company does not directly or indirectly owns over half of the share capital, it being stipulated that these securities may be issued to pay for securities transferred to the Company as part of a public offer involving an exchange in accordance with Article L.22-10-54 of the French Commercial Code;
 - the issue, with preferential subscription rights cancelled, through a public offering mentioned in Article L.411-2(1) of the French Monetary and Financial Code (nineteenth resolution), of debt securities convertible into (i) equity securities to be issued by the Company or by any company in which the Company directly or indirectly owns over half of the share capital or (ii) existing equity securities of another company in which the Company does not directly or indirectly owns over half of the share capital;

- delegate the necessary powers to it, for a period of twenty-six months from this Meeting and including the power to sub-delegate, to issue (i) shares in the Company, (ii) any equity securities giving access to other equity securities or conferring a right to the allocation of debt securities and (iii) any securities convertible into equity securities to be issued by the Company to pay for contributions in kind made to the Company in the form of equity securities or securities giving access to the capital (twenty-first resolution), up to a limit of 10% of the share capital.

The nominal amount of the capital increases that may be carried out, now or in the future, shall not exceed:

- €300 million in respect of the seventeenth, eighteenth, nineteenth and twentieth resolutions;
- €150 million in respect of the eighteenth and nineteenth resolutions;
- 10% of the total number of shares making up the share capital at the time the Board of Directors takes its decision, in respect of the eighteenth, nineteenth and twenty-first resolutions.

The nominal amount of debt securities that may be issued may not exceed:

- €5 billion in respect of the seventeenth, eighteenth and nineteenth resolutions;
- €3 billion in respect of the eighteenth and nineteenth resolutions.

Those limits take into account the additional number of securities to be created under the seventeenth, eighteenth and nineteenth resolutions, in accordance with Article L.225-135-1 of the French Commercial Code, if you adopt the twentieth resolution.

It is the responsibility of the Board of Directors to prepare a report in accordance with Articles R.225-113 et seq. of the French Commercial Code. Our role is to express an opinion on the fairness of the figures derived from the financial statements, on the proposed cancellation of preferential subscription rights and on certain other information relating to those transactions, presented in that report.

We have carried out the procedures we considered necessary for this task in accordance with the professional guidelines of the French National Institute of Statutory Auditors (Compagnie Nationale des Commissaires aux Comptes). Those procedures involved checking the report of the Board of Directors relating to those transactions and the manner of determination of the issue price of the equity securities to be issued.

Subject to our subsequent review of the terms and conditions of the issues decided upon, we have no comments to make on the manner of determination of the issue price of the equity securities to be issued presented in the report of the Board of Directors with respect to the eighteenth and nineteenth resolutions.

Since that report does not specify the method for determining the issue price of the capital securities to be issued under the seventeenth and twenty-first resolutions, we cannot give our opinion on the basis for calculating this issue price.

Since the final conditions under which the issues would take place have not been determined, we express no opinion on those conditions and, consequently, on the proposal made to you to cancel preferential subscription rights in the eighteenth and nineteenth resolutions.
