From Paris

From Porte Maillot, continue towards La Défense. After the Pont de Neuilly bridge, take the tunnel straight ahead to pass under La Défense. There are two possible itineraries:

- By the **RN 13** and the **RN 190**. In the tunnel, take the first exit to the left, direction Rueil-Malmaison – Saint-Germain-en-Laye (RN 13). Stay on the RN 13 to the La Boule intersection which you will cross using the underground passage (height restrictions) towards Nanterre on the RN 190.
- By the **A14** and the **A86**. Continue along the tunnel passing under La Défense, direction Saint-Germain-en-Laye, for 3-4 kilometres. Take the exit to the right, direction Saint-Germain-en-Laye. Follow the signs for Saint-Germain-en-Laye/Rueil-Malmaison and cross the Pont de Chatou bridge. Continue straight ahead for 4 km.

Arrival by the A86

Exit at Rueil (exit 35) on the right immediately after passing under the VINCI road bridge (exit 35b). On the exit slip road, turn right again.
