The Shareholders' General Meeting, having considered the Report of the Board of Directors, the Report of the Chairman attached thereto and the Report of the Statutory Auditors on the consolidated financial statements, hereby approves the operations and consolidated financial statements for the financial year ended 31 December 2016 as presented to it, which show net income attributable to owners of the parent company of €2,505 million.

#### Second resolution

---

##### *Approval of the 2016 parent company financial statements*

The Shareholders' General Meeting, having considered the Report of the Board of Directors, the Report of the Chairman attached thereto and the Report of the Statutory Auditors on the parent company financial statements, hereby approves the operations and financial statements of the parent company

for the financial year ended 31 December 2016 as presented to it, which show net income of €4,745 million. In particular, it approves the amount of expenses non-deductible for tax purposes (€73,206) and the tax paid in respect thereof (Article 39.4 of the French General Tax Code), as mentioned in the Report of the Board of Directors.

### Third resolution

---

#### *Appropriation of the Company's net income for the 2016 financial year*

The Shareholders' General Meeting notes that the Company achieved net income of €4,744,752,563.53 for the 2016 financial year and that, taking account of retained earnings of €15,387,727,872.56, distributable income amounts to €20,132,480,436.09.

It therefore approves the appropriation of the distributable income proposed by the Board of Directors and, consequently, resolves to distribute and appropriate it as follows:

- to shareholders as an interim dividend	€349,839,236.88
- to shareholders as a final dividend	€815,379,034.05
- to retained earnings	€18,967,262,165.16
- giving total appropriations of	<u>€20,132,480,436.09</u>

The Shareholders' General Meeting resolves to set the dividend payable in respect of the 2016 financial year at €2.10 for each share entitled to and qualifying for dividends at 1 January 2016.

The Shareholders' General Meeting notes that, at the close of the meeting of the Board of Directors on 31 January 2017, the number of shares making up the share capital and qualifying for dividends at 1 January 2016 was 589,985,730, breaking down as follows:

- shares with no particular restrictions and qualifying for dividends on 1 January 2016	554,679,615
- shares held in treasury by the Company	35,306,115
- total number of shares making up the share capital	<u>589,985,730</u>

The Shareholders' General Meeting, noting that the Board of Directors in its 28 July 2016 meeting decided to pay a net interim dividend of €0.63 on 10 November 2016 in respect of each share entitled to and qualifying for dividends at 1 January 2016, approves the payment of this interim dividend.

The Shareholders' General Meeting resolves to pay a final dividend of €1.47 in respect of each of the 554,679,615 shares entitled to and qualifying for dividends at 1 January 2016.

The Shareholders' General Meeting resolves that, should the Company hold a number of its own shares other than 35,306,115 on the day the final dividend is paid, the amount of the final dividend not paid or to be paid in respect of such shares will be credited to or debited from the retained earnings account, as the case may be.

It is to be noted that, based on current legislation, for individuals domiciled for tax purposes in France, all income is subject to the progressive scale of tax, after applying tax relief of 40% of its gross amount (Article 158-3-2 of the French General Tax Code). Furthermore, an initial and unreleased withholding

tax of 21% will be paid on account and deducted from the income tax due in respect of the year in which the dividends were paid. Tax payers whose taxable revenue the previous year does not exceed a certain threshold may, on request, not pay the withholding tax, but social security contributions will continue to be due.

The ex-date for dividend payments will be 25 April 2017. The final dividend will be paid on 27 April 2017.

As required by law, the Shareholders' General Meeting notes that the dividends and income per share distributed in respect of financial years 2013, 2014 and 2015 were as follows:

Financial year	Type	Amount per share	Number of qualifying shares	Total amount paid (in € millions)	Tax relief
2013	Interim	€0.55	561,249,183	308.69	40%

### *Renewal of the authorisation of the Board of Directors in view of the purchase by the Company of its own shares*

The Shareholders' General Meeting, having taken note of (a) the Report of the Board of Directors and (b) the description of the new 2017-2018 share buy-back programme, in accordance with the provisions of Article L.225-209 of the French Commercial Code as well as European regulation 596/2014 of 16 April 2014 on market abuse, authorises the Board of Directors, with the ability to sub-delegate such powers, within the limits provided for by law and regulations, on one or more occasions, on the stock market or otherwise, including by blocks of shares or through the use of options or derivatives, to purchase the Company's shares for the conduct of the following:

1. transfer or exchange of shares upon the exercise of the rights attached to securities giving access to the Company's share capital;
2. retention and future delivery for payment or exchange purposes in connection with transactions involving external growth;
3. disposal or transfer of Company shares to eligible employees and/or company officers of VINCI Group companies in the context of savings plans or any share ownership plan governed by French or foreign law, share and/or share purchase option allocation plans, including disposal to any approved service provider appointed for the design, implementation and management of any employee savings UCITS or similar structure on behalf of the VINCI Group, and pledge of shares as guarantee under employee savings plans;

In particular, in the event of a capital increase through the capitalisation of reserves and the allotment of performance shares, the price specified above shall be adjusted by a multiplier equal to the ratio of the number of shares making up the share capital before the transaction to the number of shares after the transaction.

The acquisition, disposal, transfer, allotment or exchange of these shares may be carried out by any means that are authorised or that may become authorised by regulations in force, either on-market or off-market, including block transactions or through the use of derivatives, in particular through share purchase options in accordance with the regulations in force. There is no restriction on the proportion of the share buy-back programme that may be carried out through block transactions.

These transactions may be carried out at any time in compliance with the current regulations, except during a public offer period.

The Shareholders' General Meeting grants full powers to the Board of Directors, including the ability to delegate such powers, so that, in compliance with the applicable legal and regulatory provisions, including those on stock exchange publicity requirements, it may proceed with the authorised reallocations of the shares purchased in view of one of the objectives of the programme to one or several of the other objectives, or sell them on-market or off-market, it being specified that these reallocations and disposals may concern shares purchased pursuant to previously authorised share buy-back programmes.

The Shareholders' General Meeting grants full powers to the Board of Directors, including the ability to delegate such powers, for the purpose of placing stock market orders, signing any deed of purchase, sale or transfer, entering into any agreement, carrying out any necessary adjustments, making all declarations and accomplishing all formalities.

This authorisation is granted for a period of eighteen months as from the date of this Shareholders' General Meeting. It renders ineffective and replaces the authorisation granted by the Shareholders' General Meeting on 19 April 2016 in its sixth resolution.

#### Twelfth resolution

---

##### *Renewal of the authorisation granted to the Board of Directors in view of the reduction of the share capital through cancellation of VINCI shares held in treasury*

The Shareholders' General Meeting, voting under the quorum and majority conditions required for Extraordinary Shareholders' General Meetings, having considered the Report of the Board of Directors and the Special Report of the Statutory Auditors, in accordance with the provisions of Article L.225-209 of the French Commercial Code, authorises the Board of Directors to cancel, at its sole discretion, on one or more occasions, within the limit of 10% of the number of shares making up the share capital on the date when the Board of Directors takes a decision to cancel and over successive periods of twenty-four months for the determination of this limit, the shares purchased by virtue of the authorisations granted to the Company to purchase its own shares, and to proceed with a reduction in share capital equivalent to that amount.

The Shareholders' General Meeting establishes the validity of this authorisation at twenty-six months as from the date of the present Meeting and grants full powers to the Board of Directors, including the powers to delegate such powers, to take all decisions necessary for the cancellation of shares and reduction of the share capital, to recognise the difference between the purchase price and the nominal value of the shares in the reserve account of its choice, including the account for "share premiums arising on contributions or mergers", to perform all actions, formalities or declarations to finalise the reductions in capital which may be carried out by virtue of this authorisation, and to alter the Company's Articles of Association accordingly.

*Delegation of authority to the Board of Directors Board to increase the share capital through the capitalisation of reserves, profits and share premiums*

The Shareholders' General Meeting resolves that the nominal amount of successive increases in the share capital that may be carried out under this delegation of authority may not exceed the total amount of amounts available for capitalisation within the share capital.

In accordance with Article L.225-130 paragraph 1 of the French Commercial Code, the Shareholders' General Meeting resolves that fractional rights shall not be tradable and that the corresponding securities shall be sold. The sale proceeds shall be allocated to rights-holders in accordance with applicable regulations.

The Board of Directors shall have all powers, including the power to sub-delegate in accordance with statutory and regulatory provisions, to implement this decision, including:

The Shareholders' General Meeting, voting under the quorum and majority conditions required for Extraordinary Shareholders' General Meetings, having considered the Report of the Board of Directors and the Special Report of the Statutory Auditors and, in accordance with Article L.225-129-2 of the French Commercial Code, delegates authority to the Board of Directors, for a period of twenty-six months as from the date of the present Meeting and including the power to sub-delegate in accordance with statutory and regulatory provisions, to issue, based solely on its deliberations, on one or more occasions, in France and abroad, in the amounts and at the times it deems appropriate, in euros, foreign currency or currency unit established with reference to several foreign currencies, with or without premiums, with shareholders' preferential subscription rights maintained at the time of the initial issue:

Under this authority, the Board of Directors may, in particular, issue to all shareholders warrants giving holders the right to subscribe shares or securities giving access to equity securities to be issued.

The Shareholders' General Meeting notes that this authority shall entail, by operation of law, the surrender by shareholders of their preferential right to subscribe capital securities to which securities issued under this authority give the right.

The Shareholders' General Meeting resolves to set the maximum amounts of issues that may be carried out under this authority as follows:

- the combined maximum nominal amount of capital increases that may be carried out, directly or otherwise, under the fourteenth, fifteenth, sixteenth and seventeenth resolutions of this Meeting is €300 million, it being stipulated that this limit does not take into account adjustments that may be made in accordance with applicable statutory and regulatory provisions and any applicable contractual stipulations; this limit shall therefore be common to all resolutions mentioned in this paragraph;
- the combined maximum amount of issues of debt securities that may be carried out under the fourteenth, fifteenth and sixteenth resolutions of this Meeting may not exceed €5 billion or the equivalent of this amount in any other currency or currency unit established by reference to several currencies; this limit shall therefore be common to all resolutions mentioned in this paragraph.

The Board of Directors may not, unless first authorised by the Shareholders' General Meeting, use this grant of authority from the time a third party files a proposed public offer for the Company's shares and until the end of the offer period.

The Board of Directors shall have the power to introduce reducible subscription rights. If subscriptions by irrevocable entitlement and any subscriptions made using reducible subscription rights have not covered the entire issue of shares, capital securities or other securities, the Board of Directors may, at

its discretion and in the order it shall determine, use the options available under Article L.225-134 of the French Commercial Code, or only certain of those options, including the option to offer some or all unsubscribed securities to the public.

The Board of Directors shall have all powers, including the power to sub-delegate in accordance with statutory and regulatory provisions, to carry out issues of shares or securities and to issue warrants giving access to equity securities to be issued on terms that it shall decide in accordance with the law, including:

The Shareholders' General Meeting resolves that this delegation renders ineffective and replaces the delegation granted in the twenty-second resolution of the Shareholders' General Meeting on 14 April 2015.

*Delegation of authority to the Board of Directors to issue bonds convertible into and/or exchangeable for new shares of the Company and/or its subsidiaries, with preferential subscription rights cancelled, and through a public offer or private placement in accordance with Article L.411-2(II) of the French Monetary and Financial Code*

The Shareholders' General Meeting, voting under the quorum and majority conditions required for Extraordinary Shareholders' General Meetings, having considered the Report of the Board of Directors and the Special Report of the Statutory Auditors, in accordance with Articles L.225-129-2, L.225-135, L.225-136 and L.228-91 and following of the French Commercial Code, delegates authority to the Board of Directors, for a period of twenty-six months as from the date of the present Meeting and including the power to sub-delegate in accordance with statutory and regulatory provisions, to issue, based solely on its deliberations, on one or more occasions, in France and abroad, in the amounts and at the times it deems appropriate, in euros, foreign currency or currency unit established with reference to several foreign currencies, with or without premiums, bonds convertible into and/or exchangeable for new shares of the Company or any company in which the Company directly or indirectly owns more than half of the share capital.

The Shareholders' General Meeting resolves to cancel shareholders' preferential subscription rights to securities covered by this resolution and resolves that issues shall be carried out in the form of public offers or offers covered by Article L.411-2 of the French Monetary and Financial Code.

The Shareholders' General Meeting nevertheless resolves that the Board of Directors shall have the power to grant shareholders, during the regulatory timeframe and on terms that it shall determine and for some or all of a given issue, a subscription priority that does not give rise to tradable rights and that must be exercised in proportion to the number of shares owned by each shareholder and may be supplemented by a reducible subscription right, it being stipulated that following the priority period, unsubscribed securities may be offered to the public or offered in the manner stipulated in section II of Article L.411-2 of the French Monetary and Financial Code.

The Shareholders' General Meeting notes that this authority shall entail, by operation of law, the surrender by shareholders of their preferential right to subscribe capital securities to which securities issued under this authority shall give the right.

The Shareholders' General Meeting resolves to set the maximum amounts of issues that may be carried out under this authority as follows:

- the combined maximum nominal amount of capital increases that may be carried out under the fifteenth and sixteenth resolutions of this Meeting is €150 million, it being stipulated that this limit does not take into account adjustments that may be made in accordance with applicable statutory and regulatory provisions, and that this limit shall be common to all resolutions mentioned in this paragraph;

- the combined maximum nominal amount of issues of bonds and debt securities giving access to the share capital that may be carried out under the fifteenth and sixteenth resolutions of this Meeting may not exceed €3 billion or the equivalent of this amount in any other currency or currency unit established by reference to several currencies; this limit shall therefore be common to all resolutions mentioned in this paragraph;
- the combined maximum amount of issues of debt securities that may be carried out under the fourteenth, fifteenth and sixteenth resolutions of this Meeting may not exceed €5 billion or the equivalent of this amount in any other currency or currency unit established by reference to several currencies.

The Meeting resolves that, if the Board of Directors uses this authority, the issue price of bonds convertible and/or exchangeable into new shares shall be set such that, based on the conversion or exchange ratio, the issue price of the shares that may be created through conversion or exchange must be at least equal to the amount provided for by statutory and regulatory provisions applicable on the day of the issue, i.e. the weighted average price in the three stock exchange trading sessions before the price of bonds convertible and/or exchangeable into new shares is set, possibly with a discount of up to 5% and, if applicable, after this average price has been adjusted in the event of a difference between dividend entitlement dates.

The Board of Directors may not, unless first authorised by the Shareholders' General Meeting, use this grant of authority from the time a third party files a proposed public offer for the Company's shares and until the end of the offer period.

The Board of Directors shall have all powers, including the power to sub-delegate in accordance with statutory and regulatory provisions, to carry out issues of bonds convertible into and/or exchangeable for new shares, on terms that it shall decide in accordance with the law, including:

- to determine the dates and terms of issues;
- to determine the procedures by which the Company will, where applicable, have the right to buy or exchange on the stock market, either at any time or during specific periods, securities issued or to be issued with a view to cancelling them or otherwise, in accordance with statutory provisions;
- to charge the expenses of capital increases to the amount of the premiums referable thereto and to deduct from this amount the sums necessary to increase the statutory reserve to one-tenth of the new capital after each increase;
- to take any steps necessary for the completion of the capital increases, to carry out any consequential formalities, to alter the Articles of Association accordingly and generally to do whatever is necessary.

The Shareholders' General Meeting resolves that this delegation renders ineffective and replaces the delegation granted in the twenty-third resolution of the Shareholders' General Meeting on 14 April 2015.

These securities may be issued to pay for securities transferred to the Company as part of a public offer involving an exchange in accordance with Article L.225-148 of the French Commercial Code.

The Board of Directors may not, unless first authorised by the Shareholders' General Meeting, use this grant of authority from the time a third party files a proposed public offer for the Company's shares and until the end of the offer period.

The Shareholders' General Meeting resolves to cancel shareholders' preferential subscription rights to securities covered by this resolution and resolves that issues shall be carried out in the form of public offers or offers covered by Article L.411-2 of the French Monetary and Financial Code.

The Shareholders' General Meeting resolves nevertheless that the Board of Directors shall have the power to grant shareholders, during the regulatory timeframe and on terms that it shall determine and for some of all of a given issue, a subscription priority that does not give rise to tradable rights. This non-tradable priority right must be exercised in proportion to the number of shares owned by

each shareholder and may be supplemented by a reducible subscription right, it being stipulated that following the priority period, unsubscribed securities may be offered to the public or offered in the manner stipulated in section II of Article L.411-2 of the French Monetary and Financial Code.

The Shareholders' General Meeting also notes that this authority shall entail, by operation of law, the surrender by shareholders of their preferential right to subscribe capital securities to which securities issued under this authority shall give the right.

The Shareholders' General Meeting resolves to set the maximum amounts of issues that may be carried out under this authority as follows:

- the combined maximum nominal amount of capital increases that may be carried out under the fifteenth and sixteenth resolutions of this Meeting is €150 million, it being stipulated that this limit does not take into account adjustments that may be made in accordance with applicable statutory and regulatory provisions, and that this limit shall be common to all resolutions mentioned in this paragraph;
- the combined maximum nominal amount of capital increases that may be carried out under the fourteenth, fifteenth, sixteenth and seventeenth resolutions of this Meeting is €300 million; this limit shall therefore be common to all resolutions mentioned in this paragraph;
- the combined maximum nominal amount of capital increases that may be carried out under the fifteenth, sixteenth and eighteenth resolutions of this Meeting may not exceed 10% of the number of shares making up the share capital at the time the Board of Directors takes its decision;
- the combined maximum nominal amount of issues of bonds and debt securities giving access to the share capital that may be carried out under the fifteenth and sixteenth resolutions of this Meeting may not exceed €3 billion or the equivalent of this amount in any other currency or currency unit established by reference to several currencies; this limit shall therefore be common to all resolutions mentioned in this paragraph;
- the combined maximum amount of issues of debt securities that may be carried out under the fourteenth, fifteenth and sixteenth resolutions of this Meeting may not exceed €5 billion or the equivalent of this amount in any other currency or currency unit established by reference to several currencies; this limit shall therefore be common to all resolutions mentioned in this paragraph.

The Meeting resolves that, if the Board of Directors uses this authority, the issue price of debt securities shall be set such that, based on the conversion or exchange ratio, the issue price of the shares that may be created through conversion, exchange or any other way must be at least equal to the weighted average price in the three stock exchange trading sessions before the price of the securities is set, possibly with a discount of up to 5% and, if applicable, after this average price has been adjusted in the event of a difference between dividend entitlement dates.

The Board of Directors shall have all powers, including the power to sub-delegate in accordance with statutory and regulatory provisions, to carry out issues of securities and allotments of warrants giving access to equity securities to be issued on terms that it shall decide in accordance with the law, including:

- to determine the nature of securities to be created, their characteristics and their issue terms;
- to determine the procedures by which the Company will, where applicable, have the right to buy or exchange on the stock market, either at any time or during specific periods, securities issued or to be issued with a view to cancelling them or otherwise, in accordance with statutory provisions;
- to charge the expenses of capital increases to the amount of the premiums referable thereto and to deduct from this amount the sums necessary to increase the statutory reserve to one-tenth of the new capital after each increase;

- to take any steps necessary for the completion of the capital increases, to carry out any consequential formalities, to alter the Articles of Association accordingly and generally to do whatever is necessary.

The Shareholders' General Meeting resolves that this delegation renders ineffective and replaces the delegation granted in the twenty-fourth resolution of the Shareholders' General Meeting on 14 April 2015.
